BEFORE THE
BOARD OF LICENSED SOCIAL WORKERS
OF THE STATE OF OREGON

In the Matter of **BRADLEY D. ADAMS, LCSW** Respondent.	**STIPULATED FINAL ORDER OF REVOCATION AND ASSESSING CIVIL PENALTIES** Case No. 2009-28

STIPULATION

1.

The Board of Licensed Social Workers (Board) is the agency responsible for licensing, regulating, and disciplining Licensed Clinical Social Workers in the State of Oregon.

2.

At all times material herein, Bradley D. Adams, LCSW, License No. L4348 (Respondent), was a Licensed Clinical Social Worker (LCSW) in the State of Oregon and subject to the jurisdiction of the Board.

3.

The Board opened an investigation of Respondent's conduct after receiving a complaint that alleged multiple violations of the Board's Code of Ethics based on Respondent's relationship with Client CB.

4.

The Board finds and Respondent admits that Respondent entered into a dual relationship with Client CB by having an inappropriate personal relationship during and after providing clinical social work services as part of Respondent's employment at South Coast Hospice and Palliative Care ("SCHPC"), in violation of OAR 877-030-0070(1)(a), (1)(b), and (1)(c), for a total of three (3) violations.

5.

The Board finds and Respondent admits that Respondent entered into a dual relationship with Client CB by providing housing and personal loans to the client during or within one year of providing clinical social work services to the client in violation of 877-030-0070 (1)(a), (1)(b), (1)(c), (1)(d), and (1)(f), for a total of five (5) violations.

6.

The Board finds and Respondent admits that Respondent entered into a relationship as a Mental Health Care Representative for client CB during or within one year of providing clinical social work services to client CB as part of the Respondents work at SCHPC. This conduct is in violation of OAR 877-030-0070 (1)(b) and (1)(c), for a total of two (2) violations.

7.

The Board finds and Respondent admits that Respondent misrepresented his conduct with respect to CB to his employer and client CB's family in violation of OAR 877-030-0040 (1)(b), for a total of two (2) violations.

8.

The Board finds and Respondent admits that Respondent was dishonest with the Board staff assigned to investigate the matter about client CB residing in Respondent's home and providing money to client CB as outlined above. This is a violation of OAR 877-030-0040 (1)(b) and OAR 877-030-0090(2), for a total of two (2) violations.

9.

The Board considers very important the requirements of OAR 877-030-0070(1) to not enter into a dual relationship with a client and the nature and extent of such conduct in this case alone merits revocation and substantial civil penalties. The Board considers very serious Respondent's misrepresentations to his employer and client as well as his dishonesty with Board

staff during the investigation, which conduct by itself also warrants revocation and substantial civil penalties.

10.

Respondent desires to resolve this matter through issuance of this Stipulated Final Order of Revocation and Assessing Civil Penalties (the "Order") that revokes Respondent's license, prohibits Respondent from practicing clinical social work in the State of Oregon as provided herein, and assesses civil penalties against Respondent for the violations committed, pursuant to ORS 183.417(3), 675.540, and 675.595, and OAR Chapter 877.

11.

Respondent stipulates, agrees, understands, and acknowledges as follows:

11.1 Respondent's clinical social work license is revoked as of the effective date of this Order.

11.2 Respondent is prohibited after issuance of this Order from using the title of, or purporting to be, a Licensed Clinical Social Worker, or using any other title that includes those words.

11.3 Respondent may not after issuance of this Order engage in the practice of clinical social work within the meaning of ORS 675.510(2) [2009] in the State of Oregon or with an Oregon resident without being appropriately licensed with the Board and otherwise in compliance with all the requirements for practicing social work in Oregon.

11.4 Respondent may not apply for a license or certification with the Board for at least three years after the effective date of this Order. In the event that Respondent applies for licensure or certification with the Board after this three year period, the Board may as part of any review, consideration, or decision on his application, consider his conduct in this matter and compliance with the terms of this Order in addition to any other information obtained as part of

the application process. This Order does not in any way restrict or limit the Board as part of its review, consideration, and decision on any application submitted by Respondent.

11.5 Respondent is assessed civil penalties in the amount of $3000.00 for each of the 14 violations described above for a total of $42,000.00 in civil penalties, pursuant to ORS 675.540(2)(c) and 675.595(9) [2009] and other applicable authority. The Board suspends payment of $28,000.00 of that amount provided that Respondent fully complies with all terms of this Order and Respondent does not hereafter engage in any conduct, act, or practice that violates the statutes and rules administered or enforced by the Board (ORS 675.510 to 675.600 and OAR Chapter 877). The payment of the portion of the civil penalties not suspended under the terms of this Order in the sum of $14,000.00 is due and payable within Thirty (30) days of issuance of this Order unless a payment plan is proposed, accepted, and approved as provided in paragraph 11.6.

11.6 Within Thirty (30) days of the effective date of this Order, Respondent may propose to pay the civil penalties through a payment plan not to exceed 2 years in length. If the payment plan is accepted and approved by the Board or its designee, which is in the sole discretion of the Board and its designee, then failure to comply with any part of the payment plan shall be a violation of this Order.

11.7. If Respondent does not fully and completely comply with each and every term of this Order, including but not limited to, the timely payment of the civil penalties, or engages in any activity that violates ORS 675.510 to 675.600 or OAR Chapter 877, then the total amount in civil penalties assessed in this Order minus any amounts paid by Respondent *plus* interest owed at the legal rate of interest from the effective date of this Order, pursuant to ORS 82.010, will become immediately due, payable, and collectable.

11.8 This Order is a public document and a matter of public discipline, pursuant to ORS 675.540 and other applicable authority. This document must be disclosed, published and
