Date/Time: Monday, July 22, 2013, 1:30 – 3:30 pm
Location: Oregon Water Resources Department
North Mall Office Building, Room 124A/B
725 Summer Street NE, Salem, Oregon 97301
Directions and Parking

1. **Welcome and Introductions**

2. **Small Scale Reallocation Report**
   USACE staff will walk through the 60% small scale report, including a discussion of system pricing methodology. The report is scheduled for submission to the Corps' Northwestern Division by September2013.

3. **Modeling Efforts**
   USACE staff will provide an update on H&H modeling for the small-scale reallocation.

4. **Willamette Basin WaterSMART Plan of Study**
   OWRD will provide an update on Reclamation's recent announcement to conduct a plan of study in the Willamette Basin, in coordination with the Department and stakeholders. This is an opportunity to outline a path for filling critical data needs to complete the Willamette Basin Review–Reservoir Study.

5. **Budget Updates**
   Both agencies will provide status updates on federal funding for FY14 and the state's budget for the 2013-15 biennium.

6. **FY14 Planned Work**
   OWRD and USACE will present work to be accomplished in FY14, contingent upon federal approval.

7. **General Discussion**

8. **Next Meeting/Adjourn**
