Attention: Kelly Edmundson, Office Specialist II

Dear Ms. Edmundson,

It is unfortunate, but necessary to communicate to your office that the online course sponsoring company, "Chiropractic CE™" at: www.chiropracticce.com, also doing business as Lakeside Seminars and has been falsely advertising that the University of Bridgeport, College of Chiropractic is approving and sponsoring their online courses, webinars, and CD Rom packages.

At present the only online courses sponsored by the University of Bridgeport, College of Chiropractic are the courses from "OnlineContinuingEd, LLC, at: www.chirocredit.com.

Please understand for the purpose of appropriate and legal purposes that courses that are submitted either by an attendee or directly from "ChriopracticCE™" for Oregon Board of Chiropractic Examiners continuing education credit hours, not be recognized, until we are confident that the false advertising has ceased

We would also appreciate any notification or knowledge regarding any action that confirms the aforesaid action by "Chiropractic CE™".

Thank you for your time and attention.

Sincerely,

Richard Saporito, DC, DABCO
