EXCLUSIONS AND SPECIAL SITUATIONS

None.

POLICY:

101. To qualify as an **Authorizing Agency**, the agency must have the statutory authority to withhold state payments or distributions, or request that other agencies withhold state payments or distributions, from a non-state entity.
102. The **Authorizing Agency** must obtain an enforcement order enabling them to request that withholding occur. The enforcement order should identify the following:
 - a. The non-state entity from which to withhold disbursements;
 - b. The amount to withhold; and
 - c. The date withholding is effective.
103. The **Authorizing Agency** is responsible to manage the withholding, which includes but is not limited to:
 - Communicating with the non-state entity from which to withhold state payments or distributions.
 - Determining which state payments or distributions are eligible for withholding.
 - Notifying Withholding Agencies in writing of the enforcement order, specific payments or distributions to withhold, in addition to the information outlined in paragraph 102.
 - Notifying **Withholding Agencies** in writing of any changes in the enforcement order.
 - Notifying Withholding Agencies in writing when the enforcement order is terminated.
 - Ensuring compliance with the enforcement order.
 - Tracking the total amount withheld.
 - Coordinating with Withholding Agencies when the total amount withheld approaches the amount authorized by the enforcement order.
 - Maintaining documentation that complies with [OAM 10.15.00.PO](#), *Transaction Documentation Requirements*.
 - Providing other documentation to Withholding Agencies so that they may comply with [OAM 10.15.00.PO](#).
104. If allowed by statute, the **Authorizing Agency** may recover the costs to administer the withholding from the amount withheld.
105. The amount withheld remains with the **Withholding Agency** until the **Authorizing Agency** notifies the Withholding Agency in writing to release the withheld payments or distributions.

PROCEDURES:

106. After an **Authorizing Agency** obtains an enforcement order, it determines what amounts are subject to withholding and requests the **Withholding Agency** in writing to withhold eligible payments or distributions. Eligible payments or distributions are generally identified by statute and may include these examples:
 - a. Cigarette tax
 - b. Liquor tax
 - c. Quarterly revenue sharing
 - d. Highway revenue apportionment
107. The **Withholding Agency** reports authorized withholdings by either:
 - a. Using a separate D23 fund if the amount withheld is significant (refer to [OAM 05.20.00](#) to determine the appropriate D24 GAAP fund); or

- b. Using GL account 1551, *Deposit Liability-Without DF Support*, within the D23 fund which reports the disbursement activity.

108. The **Withholding Agency** accounts for the withholding in one of three ways:

- a. Record the distribution as if the funds were actually going to the non-state entity, then receipt the funds back in, using T-code 162.

TC 162: Record receipt of deposit liability without doc support

DR 0065 Unreconciled Deposit
CR 1551 Deposit Liability – Without DF Support

This is appropriate if the **Withholding Agency** needs to prepare a warrant for the amount of the withholding, so that other non-state entities are not impacted by the withholding.

- b. If the distribution is typically recorded by the **Withholding Agency** as a reduction of revenue rather than an expense, use T-code 908.

TC 908: Charge revenue to deposit liability – No auto reverse

DR 3200 GAAP Revenue Offset (Applicable comptroller object)
CR 1551 Deposit Liability – Without DF Support

- c. If the distribution is recorded as an expense by the **Withholding Agency**, use T-code 909R.

TC 909R: Charge expenditure to deposit liability – No auto reverse

DR 3600 GAAP Expenditure Offset (Applicable comptroller object)
CR 1551 Deposit Liability – Without DF Support

109. The **Withholding Agency** sends monthly reports to the **Authorizing Agency** detailing the amount withheld under the enforcement order. The Authorizing Agency determines the timing and format of the reports; refer to paragraph 103.

110. When the **Authorizing Agency** has notified the **Withholding Agency** in writing to release all or a portion of the amount withheld, account for the released amount using T-code 287.

TC 287: Return deposit liability to depositor – No doc support

DR 1551 Deposit Liability – Without DF Support
CR 1211 – Vouchers payable
