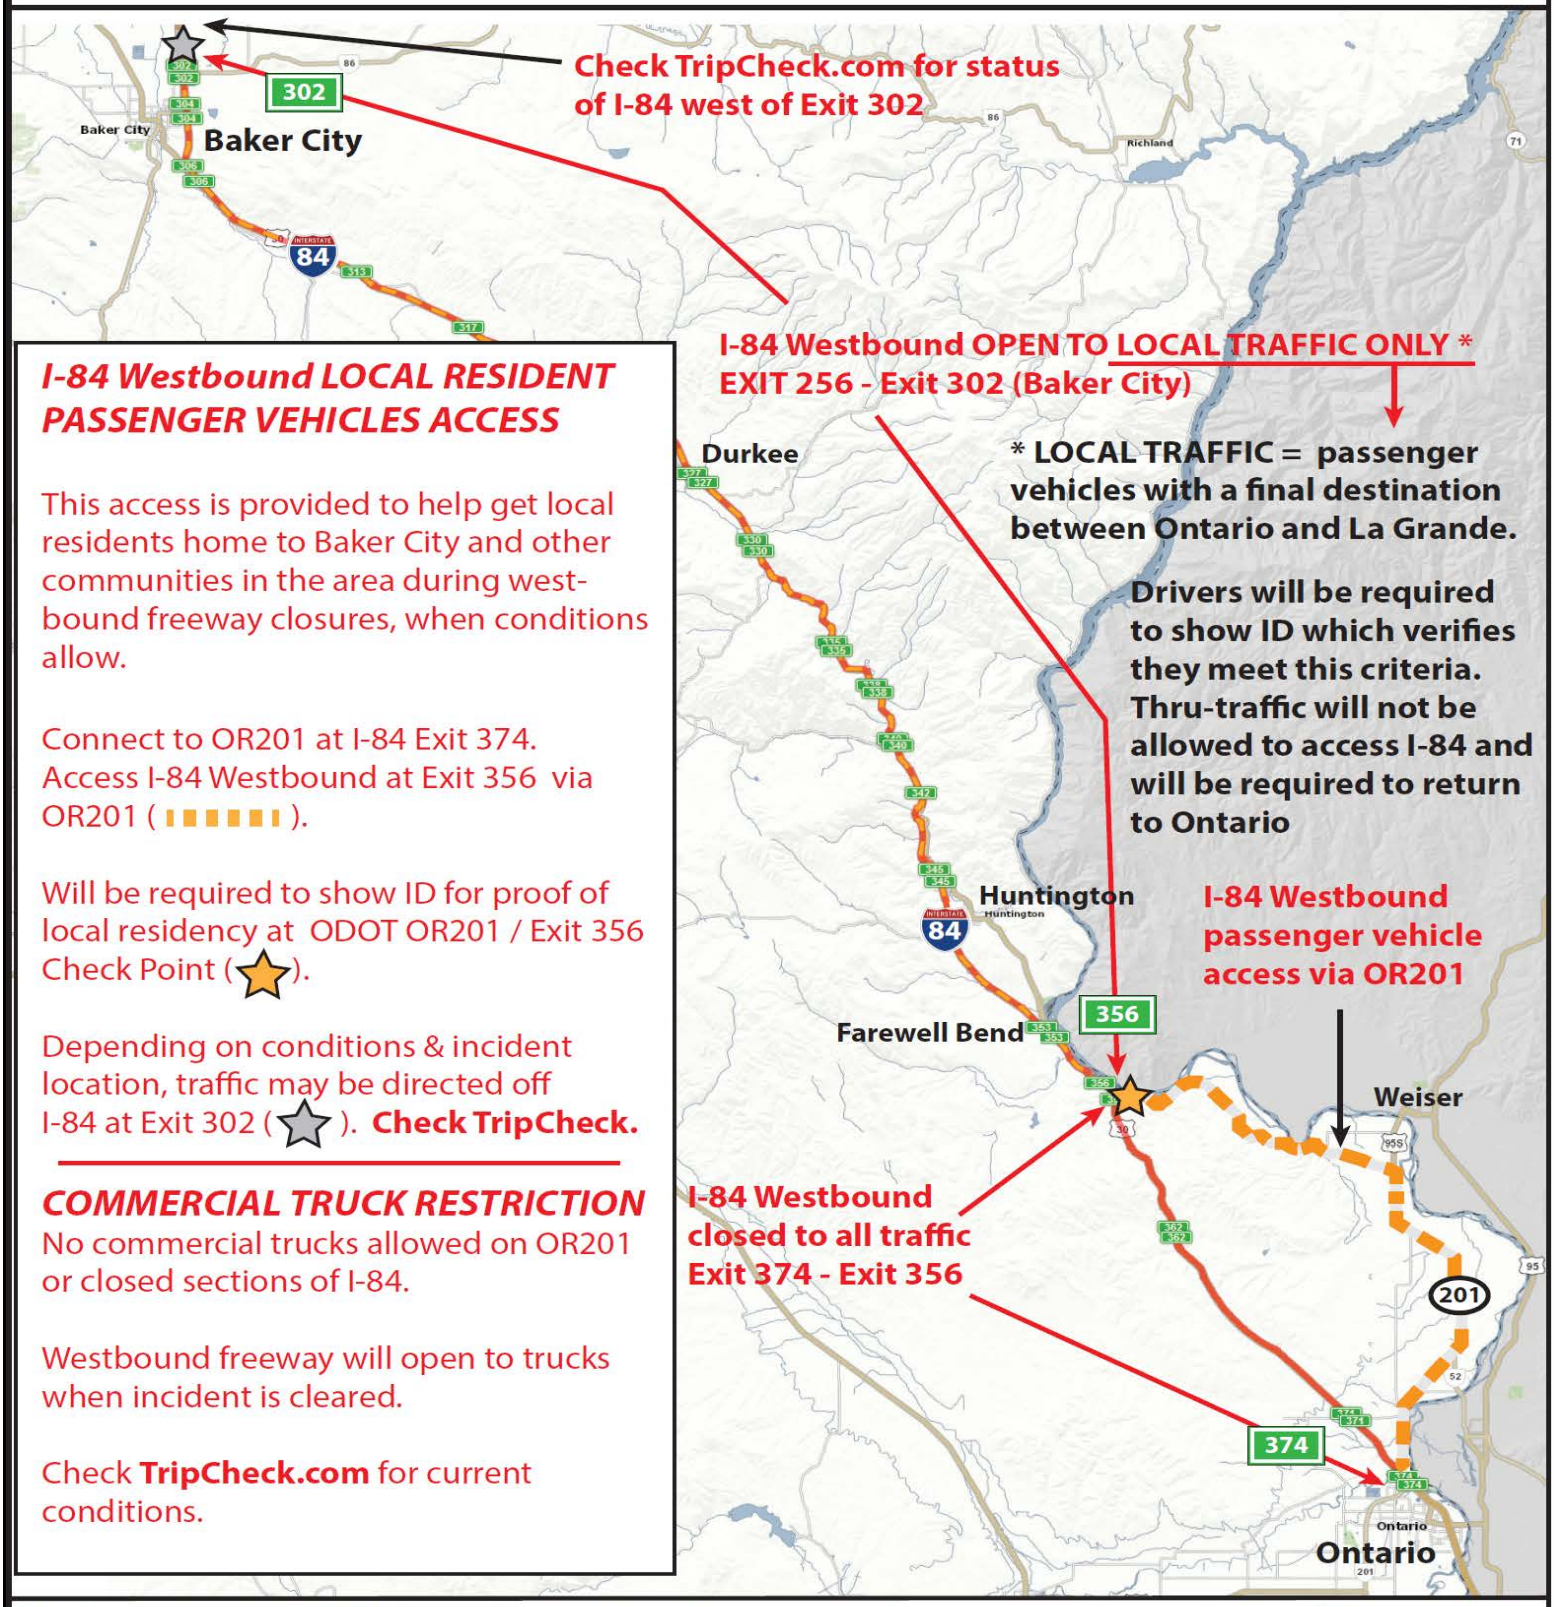
**I-84 WESTBOUND LOCAL TRAFFIC ACCESS between Ontario at EXIT 374 and Baker City at Exit 302**

**LOCAL RESIDENTS IN PASSENGER VEHICLES ONLY**

**CLOSED TO COMMERCIAL TRUCKS and THRU-TRAFFIC**



## *I-84 Westbound LOCAL RESIDENT PASSENGER VEHICLES ACCESS*

This access is provided to help get local residents home to Baker City and other communities in the area during west-bound freeway closures, when conditions allow.

Connect to OR201 at I-84 Exit 374. Access I-84 Westbound at Exit 356 via OR201 ( ▮▮▮▮▮▮ ).

Will be required to show ID for proof of local residency at ODOT OR201 / Exit 356 Check Point ( ★ ).

Depending on conditions & incident location, traffic may be directed off I-84 at Exit 302 ( ☆ ). **Check TripCheck.**

## *COMMERCIAL TRUCK RESTRICTION*

No commercial trucks allowed on OR201 or closed sections of I-84.

Westbound freeway will open to trucks when incident is cleared.

Check **TripCheck.com** for current conditions.

**The Westbound freeway is likely closed west of Baker City due to a crash, extreme weather, or other conditions.**

**COMMERCIAL TRUCKS are restricted from the Westbound freeway due to NO SAFE TRUCK PARKING in communities between Ontario and the freeway incident. Commercial trucks will need to find safe parking areas in Ontario, Boise, etc.**

**During inclement weather be prepared for snow, ice, slick roads, limited visibility and other hazardous conditions.**

**Allowing local passenger vehicles on closed freeway sections is to accommodate local residents trying to get home to communities between Ontario and the incident location.**
