* - Indicates this element is in the OGIC/Transportation Data Standards at
http://egov.oregon.gov/DAS/IRMD/GEO/fit/transportation/docs/OregonRoad3.pdf
x - Indicates data is loaded into database
o - Indicates data needs to be reloaded
UD - I - idicates under development w/ IDS contract and then to county for review
UD - G - indicates under development w/ GeoSolve contract
UR - C - under review w/ county

UA - indicates that this is a dataset developed by the actual road authority and that their GIS dataset does not contain this attiribute (unavailable).
IP - Cross-walk being developed for loading, HARP required attribution being generated (in
