Subject: *Connect*Oregon III, Rural Airports Program Applications
2010-RA-008, 2010-RA-009, 2010-RA-012, and 2010-RA-013

Dear Ms. Tepper:

This letter is notification that the above-referenced applications are not eligible for CO III Rural Airports funding.

Based on legislation passed this spring, the highest priority projects shall be Rural Airports that receive Federal Grants on or after July 1, 2009, and prior to July 1, 2011, where the application is for matching funds to a federal grant and that have been completed or are under construction.

The above-referenced applications are associated with FAA grants that were executed prior to July 1, 2009. The applications refer to amendments issued for cost overruns on projects for which the construction began prior to July 1, 2009. As a result, they are ineligible for the *Connect*Oregon III Rural Airport Program.

Accordingly, these applications will not proceed through the review process. You have 15 days to file a protest with the Oregon Department of Aviation. Protests should be submitted in writing to:

Doug Hedlund, Interim Director
Oregon Department of Aviation
3040 25th Street, SE
Salem, Or 97302

Please note that your applications 2010-RA-010 and 2010-RA-011 for FAA grants -028 and -030, respectively, are eligible and will move forward.

Sincerely,

Doug Hedlund
Interim Director
