Vocabulary Words

With a partner

1. Review the vocabulary words and their meanings.
2. Place all the vocabulary word cards and meaning cards face down. Choose which partner will go first.
3. Lift two cards from the pile and show them to your partner. If they match, you can keep the pair and continue to draw cards from the pile to make another match.
4. If the two cards do not match, place them face down back in the same space and allow your partner to choose two cards to make a match.
5. Continue playing until all word cards are used.

Independent Practice

6. Choose six words to define in your own words on the Independent Practice: Word Meaning worksheet.

I can determine meanings of words in text.
