OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER:	E131510
CLAIMANTS:	McFetridge Ranch, Inc. 66855 Crow Creek Road Enterprise, Oregon 97828
MEASURE 37 PROPERTY IDENTIFICATION:	Township 2S, Range 45E Sections 3 and 4, Tax lot 900 Section 10, Tax lot 3100 Wallowa County
PRIMARY CONTACT INFORMATION:	Darrell McFetridge 66855 Crow Creek Road Enterprise, Oregon 97828

The claimant, McFetridge Ranch, Inc., filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 29, 2006, for properties located on the south side of Crow Creek Road between Rancho Road and Klages Road (tax lot 3100) and along Repplinger Lane and the north end of Rancho Road (tax lot 900), near Enterprise, in Wallowa County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims under either Section 6 or Section 7 of Measure 49. The claimant has elected supplemental review of its Measure 37 claim under Section 7, which allows the Department of Land Conservation and Development (the department) to authorize up to ten home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. **Qualification Requirements**

To qualify for a home site approval under the Section 7 option, a claimant must file an appraisal that establishes the reduction in the fair market value of the property as required by Section 7 (6) of Measure 49. The appraisal must be filed with the department or with the county if the claim is being processed by the county, within 180 days after the date the claimant files the election to obtain relief under Section 7 of Measure 49.

Findings of Fact and Conclusions

The claimant, McFetridge Ranch, Inc., elected to proceed under the Section 7 option, with the state on April 28, 2008. The claimant was required to submit an appraisal by October 25, 2008, within 180 days after the date it filed its election. No appraisal has been received by the department.

Because this requirement has not been met, the claimant is not entitled to any relief under Section 7 of Measure 49, and, therefore, the remaining approval criteria will not be evaluated.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on February 19, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimant, McFetridge Ranch, Inc., does not qualify for any Measure 49 home site approvals. The claimant did not submit an appraisal within 180 days after the date it filed its election as required by section 8(5) of Measure 49.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
