OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER:	E133882
CLAIMANTS:	Gerold M. and Myrtle M. Solum 91918 Akerstedt Road Astoria, Oregon 97103
MEASURE 37 PROPERTY IDENTIFICATION:	Township 8N, Range 8W Section 26C, Tax lot 100 Clatsop County

The claimants, Gerold and Myrtle Solum, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 4, 2006, for property located at 91918 Akerstedt Road, near Astoria, in Clatsop County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims under either Section 6 or Section 7 of Measure 49. The claimants have elected supplemental review of their Measure 37 claim under Section 7, which allows the Department of Land Conservation and Development (the department) to authorize up to ten home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. **Qualification Requirements**

To qualify for a home site approval under the Section 7 option, a claimant must file an appraisal that establishes the reduction in the fair market value of the property as required by Section 7 (6) of Measure 49. The appraisal must be filed with the department or with the county if the claim is being processed by the county, within 180 days after the date the claimant files the election to obtain relief under Section 7 of Measure 49.

Findings of Fact and Conclusions

The claimants, Gerold and Myrtle Solum, elected to proceed under the Section 7 option with the state on May 20, 2008. The claimants were required to submit an appraisal by November 16, 2008, within 180 days after the date they filed their election. No appraisal has been received by the department.

Because this requirement has not been met, the claimants are not entitled to any relief under Section 7 of Measure 49, and, therefore, the remaining approval criteria will not be evaluated.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on February 19, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimants Gerold and Myrtle Solum do not qualify for any Measure 49 home site approvals. The claimants did not submit an appraisal within 180 days after the date they filed their election as required by section 8(5) of Measure 49.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
