5/22/2023	The AMPC adopts the charter emailed to the group on 17 May, 2023 as modified at this meeting.	10 in favor, 0 opposed
6/26/23	The Adaptive Management Program Committee (AMPC) approves the following as the initial research topics to meet the deadline set in OAR 629-603-0200(2)(a)(B): (a) Literature review for eastern Oregon steep slopes; (b) Requirements of baseline and trend monitoring of road rules; and (c) Amphibians.	10 in favor, 0 opposed
10/23/23	The Adaptive Management Program Committee (AMPC) approves the 3 Forest Roads Research Questions as edited at their Oct. 23, 2023 meeting.	9 in favor, 1 abstained
11/30/23	The Adaptive Management Program Committee (AMPC) approves the version of the Forest Roads Research Questions Package edited at their November 30, 2023 meeting to forward to the IRST per OAR 629-603-0200(3). This version will be delivered to the IRST on Feb. 1, 2024. The co-chairs will review the final question package prior to delivery.	10 in favor, 0 opposed
4/8/2024	The Adaptive Management Program Committee (AMPC) approves including development of the Effectiveness Monitoring Strategy among its priorities. An AMPC workgroup will initiate drafting a request for help from the IRST in developing the Strategy.	10 in favor, 0 opposed
4/8/2024	The Adaptive Management Program Committee (AMPC) sends their responses to the IRST's clarifying questions on questions 1.a and 1.b (as edited at the April 8, 2024 meeting) to the IRST as part of the formal process.	10 in favor, 0 opposed
5/6/2024	The Adaptive Management Program Committee (AMPC) approves the IRST responses to the clarifying questions on Roads and research question package (as edited at the May 6, 2024 meeting).	9 in favor, 1 absent

6/24/2024	The Adaptive Management Program Committee (AMPC) approves the questions portion of the Eastern Oregon Steep Slopes Questions Package (as edited at their June 24, 2024 meeting).	8 in favor, 2 absent
6/24/2024	The Adaptive Management Program Committee (AMPC) approves the Roads Research Question Package honed by the IRST (as edited at the June 24, 2024 meeting) to be submitted to the IRST as part of the formal process by June 28, 2024.	8 in favor, 2 absent
7/2/2024	The Adaptive Management Program Committee (AMPC) approves the non-question portion of the Eastern Oregon Steep Slopes Research Questions Package (as edited at the July 2, 2024 meeting) to be sent to the IRST. As the questions portion of the package was approved at the June 24, 2024 meeting, the entire questions package will be sent to IRST between July 10 and July 12, 2024 to allow the IRST 45-day response window to overlap two IRST meetings.	9 in favor, 1 absent
8/26/2024	The Adaptive Management Program Committee (AMPC) approves the Process for Prioritization of Research Questions (as edited at the August 26, 2024 AMPC meeting) and approves of adding the document to the AMPC Charter.	10 in favor, 0 opposed
