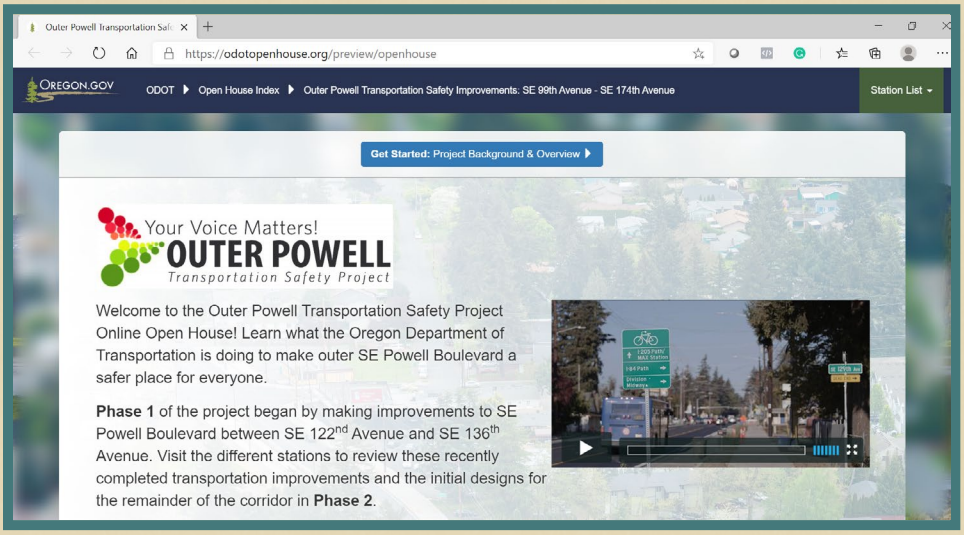
EXPLORE OUR ONLINE OPEN HOUSE

The Oregon Department of Transportation (ODOT) is working to make Outer SE Powell Boulevard a safer place for everyone. The project stretches between SE 99th Avenue (I-205) and the Portland/Gresham city limits just east of SE 174th Avenue. Safety improvements will reduce the frequency and severity of crashes and help people walking, biking, rolling, or driving to share the road with fewer conflicts.

- Construction nearly complete: SE 122nd Avenue to SE 136th Avenue
- Design underway: I-205 to SE 122nd Avenue and SE 136th Avenue to just east of SE 174th Avenue (the Portland/Gresham city limits)



LEARN MORE AT OUR ONLINE OPEN HOUSE!

Through October 18, 2020

Explore our online open house to learn more about the work already completed along SE Powell Boulevard and the work underway that will make the corridor safer for all users, including:

- *Major intersection improvements*
- *New sidewalks and bike lanes*
- *Enhanced pedestrians crossings*

Transportation Safety Project

FALL 2020

CONSTRUCTION NEARLY COMPLETE!

FROM SE 122ND AVENUE TO SE 136TH AVENUE

ODOT thanks you for your patience and cooperation while we constructed improvements between SE 122nd Avenue and SE 136th Avenue. We are excited to announce that construction is nearly done. In the coming months you will see the finishing touches, including things like rapid flashing beacons at crosswalks, new lighting and signals at a few remaining locations, and landscaping.

Recently constructed improvements on SE Powell Boulevard at SE 136th Avenue.

DESIGN UNDERWAY

FROM SE 99TH AVENUE TO SE 122ND AVENUE AND SE 136TH AVENUE TO SE 174TH AVENUE

Design work is now underway for the remaining sections of Outer SE Powell Boulevard. Sidewalks, bike lanes and center turn lanes are some of the safety improvements being designed through the entire corridor. ODOT is designing the remainder of the corridor to be consistent with the improvements completed in Phase 1. ODOT will finish the design in fall 2022 and construction will begin in early 2023.

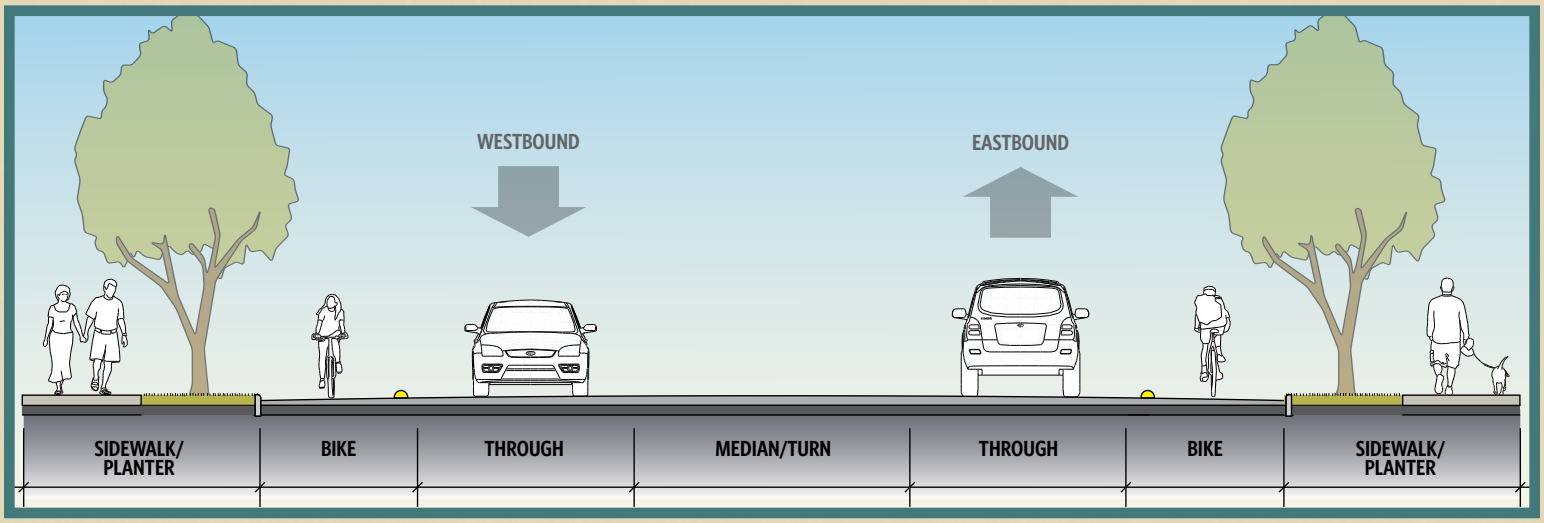
WHAT THE FUTURE ROAD WILL LOOK LIKE



An example of what the majority of the road will look like when complete. It will vary throughout the project area depending on the needs and constraints.

Do you live, work or own property on SE Powell Boulevard between SE 99th Avenue and SE 122nd Avenue, or between SE 136th Avenue and just east of SE 174th Avenue? If so, we will keep you informed about what to expect during construction as we know more. If you own property along SE Powell Boulevard in these areas, a right of way agent will contact you if any changes to your property are needed. We encourage you to sign up for project emails by visiting our website, www.OuterPowellSafety.org.

ONLINE OPEN HOUSE
