Aurora State Airport Master Plan Website Comments

Name	Benjamin Williams
Organization	Friends of French Prairie
Comments or questions?	Final comments from Friends of French Prairie are in the form of a nine page letter with attachment that cannot be accommodated by this form page for submission of comments. Once again, the process for interested parties to make and submit comments is hindered by the process itself, in this case in the form of no method to attach a separate comments document to be submitted. To that end, the FOFP comments letter is noted in this Comments of questions box, and will be separately submitted by email to Brandy Steffen of JLA Public Involvement
