Public Comment Topic	Expansion of Aurora airport
Public Comment	I am JUST a citizen that has lived in the Canby, Aurora, Hubbard area for over 25 years. I drive by the airport on my daily commute and I love my drive. I am also a nurse. If the LifeFlight folks don't want this then what the heck are you doing?? Making life even for inaccessible for rural folks. I am not in an echo chamber and I can clearly tell NO ONE WANTS THIS!!! Do better!!! Is this going to fleece your pockets in some way? Please look at yourselves in the mirror before you approve this. Is this really what the people of South Clackamas and North Marion counties want? Is this what you really want or are you scared to do the right thing? Because if so then your families will have to grow up in a place that looks nothing like the place you grew up in. Choose wisely. You are altering our way of living FOREVER!
