Public Comment Topic	Aurora Airport Expansion
Public Comment	My wife and I are against the Aurora Airport runway expansion. 1. Several low income families will be forced out of their homes. 2. The most fertile farm land in the Willamette Valley will be paved over for only a few very wealthy part time aviation enthusiasts. 3. Highway 551 will be rerouted to Boones Ferry Road, further destroying additional farm land. 4. Traffic flow, which has steadily increased due to more high density housing developments being built will further destroy farmland. 5. Everyday more planes and helicopters are flying over our house and disrupting/polluting our crops and mennissing our livestock. 6. There has been an invasion of semi trucks ripping up tiny roads and adding to the noise.
