Public Comment Topic	REJECT the Expansion of the Aurora Airport
Public Comment	As a long time Wilsonville resident, I strongly opposed the expansion of the Aurora airport. It will negatively and permanently affect the quality of life for Wilsonville . There is no need for the expansion that can possibly out weigh the increased traffic of larger planes flying over our town It will never affect the value of our property. It will cause health hazards with ate added jet fuel it will spue down on the city. And the noise ruin the tranquility of the neighborhoods.. Please listen to the people most closely affected and reject the expansion.
