Hello Dept of Aviation,
My name is Janice Parker. I am a 11 year resident of Charbonneau. We have had the benefit of living in this beautiful community.
This is our forever home.
My husband and I are greatly opposed to the Aurora Master Plan. There are many reasons why it is not a good idea, and I know you have heard all the reasons from our City of Wilsonville, the City of Aurora, the Friends of French Prairie, to name a few.
On a personal level, the airplane noise is already a nuisance. It awakens me at night, it is so loud during the daytime, that I often look up to the sky in amazement. And wonder why this is going on? There is a large airport in Salem!
This plan would enable larger jets to fly over. Noise pollution! Please help protect our quality of life and protect our property values by not supporting this unnecessary plan.
Thank you,
Janice Parker
