Public Comment Topic	Aurora State Airport Master Plan
Public Comment	I oppose expansion of Aurora Airport. I live near the airport, and I don't understand why I have to listen to jets and helicopters flying over my house when we have plenty of other airports in the area that can handle this traffic. Why does anyone want to expand the airport to handle bigger jets when we have several other airports that would like the business? Why are we going to spend taxpayer dollars to subsidize rich airplane and helicopter owners when we have many more pressing needs in this state? Have the safety concerns of expanding the airport been addressed?
