Public Comment Topic	Opposition to Aurora Airport Expansion
Public Comment	I'm writing to voice my opposition to the expansion of Aurora Airport. Larger jets and longer runways mean more noise, more risks to our health, and a direct hit to our quality of life and property values. There are already multiple fully equipped jet airports within 20 miles, making expansion here unnecessary and a poor use of public funds. None of the proposed expansion benefits the surrounding communities, it only increases noise, traffic, and environmental impacts while serving a tiny, affluent market. Please vote against the proposed expansion.
