Public Comment Topic	Aurora State Airport Master Plan
Public Comment	I am against expanding the Aurora airport. It is unnecessary as we already have airports capable of handling emergency flights and larger jets nearby. It is a waste of taxpayer money that will benefit a few wealthy landowners in the area. The upgrades that have already been made have diminished my livability at my home in the park at merrifield neighborhood in wilsonville. I am frequently awakened a few times in the same week by aircraft taking off between 1:00 a.m. and 6:00 a.m. that are not honoring the voluntary no fly zones. This can only get worse if the airport is further expanded.
