## Fees

### Passenger

Passenger registration fees are based on the combined miles-per-gallon (MPG) rating determined by DMV's vehicle identification number (VIN) decoding software. Dealers can also provide the combined MPG rating to DMV for vehicles on the Application for Title and Registration, [Form 226](#).

Passenger vehicles are eligible for 2- or 4-year registration. The following chart shows the passenger registration fee information based on the MPG rating.

REGISTRATION FEE CHART BASED ON MPG AND VEHICLE TYPE

<b>Passenger Vehicles</b>	<b>4 Year</b>	<b>2 Year</b>	<b>2-Year Rental</b>	<b>1-Year Rental</b>
Passenger 0-19 MPG	\$252.00	\$126.00	\$128.00	\$ 65.00
Passenger 20-39 MPG	\$272.00	\$136.00	\$138.00	\$ 70.00
Passenger 40 MPG+	\$312.00	\$156.00	\$158.00	\$ 80.00
Passenger Electric NOT Enrolled in OReGO	\$632.00	\$316.00	\$318.00	\$160.00
Passenger Electric Enrolled in OReGO	\$172.00	\$ 86.00	\$ 88.00	\$ 45.00

**NOTE:** Vehicle manufactured prior to the year 2000 default to the lowest registration tier in the chart above regardless of their MPG rating.

### ***How to enroll a vehicle in OReGO***

The Oregon Department of Transportation offers a road usage charge program called OReGO that is an alternative to the fuels tax. Oregonians who enroll in the program pay for the roads they use by the number of miles they drive instead of gallons of fuel consumed.

**Drivers with vehicles rated 40 mpg or better are eligible for a reduced registration fee if they enroll in OReGO before they register their vehicle.** They must remain in the program for the full registration period or be liable for the higher registration fee.

When an Oregon dealer sells or leases a vehicle rated 40 mpg or better, the dealer should inform the customer of their option to enroll in OReGO to save on the registration fee.

If the customer chooses to enroll, follow these steps:

- The customer, using a mobile phone or computer, selects an account manager and sets up an OReGO account. More information on enrolling can be found at [www.MyOReGO.org](http://www.MyOReGO.org).
- The customer will receive an OReGO enrollment confirmation email from the account manager. The customer then provides the email they received to the dealer (a physical or digital copy).
- The dealer attaches the confirmation email to the transaction paperwork.
  - If the dealer uses EVR, check the relevant box in the VITU platform indicating enrollment in OReGO.

- The dealer calculates the applicable fees without the enhanced registration surcharge.
- The dealer submits the transaction to DMV.
- For questions or help with enrollment, contact OReGO customer service between 8:00 a.m. and 5:00 p.m. Pacific Time, Monday through Friday. Customer service is not available on weekends or holidays.

## General fee information

The correct fee to collect for any transaction depends on the type of vehicle and the type of transaction. The most common transaction types are:

- Title transfer
- Registration (original or renewal)
- Plate replacement
- Plate transfer

### ***Transaction examples:***

If submitting an application for a vehicle with an out-of-state title and issuing Salmon plates, collect the following fees for the transaction:

Title fee (new to Oregon vehicle)  
+VIN inspection fee  
+Salmon surcharge for one or two plates  
+Plate fee for one or two plates  
+Registration fee for the vehicle type  
=Total fee

If submitting an application for a vehicle with a current Oregon title, renewing the registration and replacing the plates with tree plates, collect the following fees for the transaction:

Title fee (Oregon title transfer)  
+Replacement plate fee  
+Plate fee for one or two plates  
+Renewal (registration) fee for the vehicle type  
=Total fee

*For more information on the privilege/use tax on new vehicles, see [Chapter R, Dealers](#), or visit <https://www.oregon.gov/dor>*

**Note:** Do not include the privilege/use tax fee on the application.

## Title fee information

Light vehicle title fees are based on the combined MPG rating as determined by DMV's VIN decoding software. If the VIN does not decode, the title fee will default to the lowest MPG rating and lowest title fee. Dealers can also provide the combined MPG rating to DMV for vehicles on the Application for Title and Registration, [Form 226](#).

**NOTE:** If the combined MPG rating is available for the vehicle, please include that on the

application so that DMV can assess the correct fees. Sometimes the VIN does not decode with the MPG rating.

**TITLE FEE CHART BASED ON MPG AND VEHICLE TYPE**

<b>Titles</b>	<b>New Fee</b>
<b>Light Vehicle Title – no MPG rating</b>	<b>\$101</b>
<b>0-19 MPG</b>	<b>\$101</b>
<b>20-39 MPG</b>	<b>\$106</b>
<b>40+ MPG regardless of OReGO status</b>	<b>\$116</b>
<b>Electric regardless of OReGO status</b>	<b>\$192</b>

The fee for other vehicles is based on the vehicle type and weight and whether or not the title being replaced or applied for is a salvage title. Determine the weight of the vehicle even if the vehicle is not being registered.

1. Title fees for heavy motor vehicles are based on the gross vehicle weight rating (GVWR). A \$90.00 title fee is charged for heavy vehicles such as:
  - Trailers with a loaded weight over 8,000 pounds (this does not apply to other vehicle types such as special use trailers and travel trailers).
  - Motor vehicles with GVWR over 26,000 pounds (this applies to all truck, bus, and motorized heavy fixed load title transactions, but this does not apply to motor homes).
2. Salvage certificate fee and replacement salvage certificate fee for all vehicle types is \$27.00.

### Four-year registration fee information

The following new vehicles are subject to four-year registration for the first registration period (see [Chapter K](#) for more background information):

- Passenger vehicles (including electric and hybrid)
- Light trailers

The registration fee will double for four-year registration in addition to any surcharges or special fees (such as the custom plate fee). The surcharge for Crater Lake, Cultural plates, Pacific Wonderland, Portland Trail Blazers, Wine Country, Share the Road, and Special Registration Plate Program plates is NOT doubled. After the initial four-year registration period, the renewal will revert to a two-year registration period.

#### **Exceptions to four-year registration:**

- Vehicle types not listed above
- Plate transfers
- Vehicles applying for permanent registration
- Rental or leasing companies that elect to initially register new passenger vehicles for a one or two year period

## County registration fees

**Multnomah County:** Multnomah County has imposed an additional registration fee of \$56 per year of registration. Heavy trailers with a permanent registration are assessed a one-time county registration fee of \$10.

Information about Multnomah County registration fees is located at <https://multco.us/bridges/vehicle-registration-fee>.

**Washington County:** Washington County has imposed an additional registration fee of \$30 per year of registration. Heavy trailers with a permanent registration are assessed a one-time county registration fee of \$10. Motorcycles and mopeds will pay an additional \$17 per year of registration.

Information about Washington County registration fees is located at <https://www.washingtoncountyor.gov/lut/transportation-funding>.

**Clackamas County:** Clackamas County has imposed an additional registration fee of \$30 per year of registration. Heavy trailers with a permanent registration are assessed a one-time county registration fee of \$10. Light trailers pay \$5 per year for Clackamas County Registration fees.

Registration fees are collected based on the registration period of the vehicle, rather than the transaction date.

County registration fees are based on the customer's vehicle address, residence address or business address (in that order) at the time of application for registration. When filling out applications for title and registration, include the total registration fee amounts, including county registration fees if applicable, in the REG/REN FEE box on the application.

Most vehicle types are subject to the county registration fees. The tables below list which vehicles are subject and which vehicles are exempt from the county registration fees.

The first table below shows the subject vehicles and corresponding amounts. The second table shows exempt vehicles and registration types.

### Tree (Graphic), Oregon Trail, "OR 150" Pacific Wonderland, Salmon, Crater Lake, Cultural and Wine Country Plates

#### "Graphic" plates terminology

The tree plate was the original graphic plate. When mentioned in older DMV literature, "graphic" means the tree plate.

#### Tree plates

Tree plates are issued:

- For light trailers (only option available)
- For passenger vehicles, as regular issue, and custom
- As background for most non-veteran related group plates
- As background for National Guard plates and Elected Official plates

- As background for Disabled Veteran plates (full size only; not moped or motorcycle)

**NOTE:** Title and registration fees are no longer included in the following charts. Refer to the [Registration Fee Chart](#) and [Title Fee Chart](#) to assist in assessing fees.

### Tree plate initial issuance fees

The plate fee is \$26 for two plates, and \$13 for one.

When tree plates are issued in **conjunction with original registration** (new vehicles or new to Oregon) there is no replacement fee. The fees to collect are the plate fee and the registration fee (see fee charts), and custom or group plate fee, if applicable.

When tree plates are issued or replaced a replacement fee of \$12 per transaction is charged in addition to the plate fee and registration renewal fee, and custom plate or group plate fee if applicable.

Tree replacement plate fee example:			
	Replacement fee	Plate fee	Total
One plate	\$12	\$13	\$25
Two plates	\$12	\$26	\$38

If the customer wants to apply for replacement tree plates at any time they will pay the replacement fee of \$12 in addition to the plate fee.

The plate fee is \$13 for vehicles requiring one plate, and \$26 for vehicles requiring two plates.

#### **Disabled Veteran Plates**

To assist a customer in applying for Disabled Veteran Plates and for more information about qualifying for a Disabled Veteran Plate, see [Chapter K](#).

A permanent registration fee of \$15 plus the plate fee is required at initial application. The registration is valid for as long as the person who qualified for the Disabled Veteran Plates remains an owner.

*When Group plates are issued or renewed, a surcharge is collected. See surcharge fee chart in this chapter for exception and more information.*

#### **Group plates** (issued only to passenger vehicles)

To assist a customer in applying for Group plates, and for more information about qualifying for a group plate, and for group plate transfer information, see [Chapter K](#).

Group plates are issued only for passenger vehicles. Veteran-related group plates are issued on a white background with a military insignia. Most non-veteran related group plates are issued on the tree plate, except Gold Star Family plates, and Share the Road plates, which have a different design. Many of the veteran group plates have specific

eligibility requirements. Contact DMV for more information about eligibility. When the plates are issued or renewed, a surcharge is collected (see [surcharge fee chart](#) in this chapter), which goes into an account for the group.

When group plates are issued in conjunction with original registration (new vehicles or new to Oregon) the fees collected are the surcharge, the plate fee and the registration fee.

**Existing plates replaced with group plate type:** Collect the replacement fee, group plate surcharge\*, plate fee, and registration renewal fee (if at renewal).

\*No group plate surcharge is charged when replacing a group plate with the same type of group plate between renewals.

For more information on surcharges, see [surcharge fee chart](#) later in this chapter.

### ***National Guard plates***

Active Members of the Oregon National Guard are eligible for National Guard plates. National Guard plates are issued on tree plates for passenger vehicles and motor homes. One of the owners on the title must qualify for the plate. If there is a lessor and lessee on the title, the lessee must qualify for the plate. The qualified applicant must submit a completed Oregon Military Department Certificate of Eligibility, AGO Form 4309, issued by the Oregon Military Department. For more information and for plate transfer information, see [Chapter K](#).

The fee for National Guard plates is the same as for regular tree plates.

### ***Government Vehicle plates***

The registration fees for government vehicle plates (E plates) are:

Original plates (one-plated vehicle) .....	\$18
Original plates (two-plated vehicle) .....	\$31

### ***Oregon Trail plates***

On November 4, 1993, DMV began issuing the Oregon Trail license plate. Oregon Trail plates are no longer issued but may be renewed and transferred. See [Chapter K](#) for information about plate transfer requirements.

### ***Pacific Wonderland plates***

“OR 150” Pacific Wonderland plates may be issued to passenger vehicles only and may not be issued with a custom or ham configuration.

Registration and replacement fees for “OR 150” Pacific Wonderland plates are the same as for regular registration for passenger vehicles plus a surcharge of \$100 per set of plates whether it is 2-year or 4-year registration. The surcharge is required only when “OR 150” Pacific Wonderland plates are initially issued.

**Salmon plates**

Salmon plates or custom Salmon plates may be issued for passenger vehicles. Passenger vehicles may also have Ham configuration on Salmon background. The Salmon plate surcharge is distributed to two funds: half to the Watershed Conservation Operating Fund and half to the State Parks and Recreation Department Fund. Salmon plates may be transferred to another vehicle of the same type. See [Chapter K](#) for plate transfer requirements.

*When Salmon plates are initially issued or renewed, a surcharge of \$7.50 per plate per year of the registration period is collected. See surcharge fee chart in this chapter.*

When Salmon plates are issued in conjunction with original registration (new vehicles or new to Oregon) the fees collected are the surcharge of \$7.50 per plate per year of the registration period, the plate fee and the registration fee.

When Salmon plates are issued to an Oregon-registered vehicle, the fees collected are the replacement fee, the Salmon plate surcharge, plate fee, and, if at renewal, the registration renewal fee.

When Salmon plates are replaced (customer already has Salmon plates), the fees collected are the replacement fee, plate fee, and, if renewing, the registration renewal fee and the surcharge. No surcharge fee is collected if the customer is replacing Salmon plates between renewals.

**NOTE:** Title and registration fees are no longer included in the following charts. Refer to the [Registration Fee Chart](#) and [Title Fee Chart](#) to assist in assessing fees.

<b>Salmon plate fee examples</b>			
<b>Original (new vehicles or new to Oregon): \$7.50 surcharge fee per plate</b>

**Crater Lake plates** *(Crater Lake plates are issued only to passenger vehicles)*

Crater Lake plates or custom Crater Lake plates may be issued for passenger vehicles. Passenger vehicles may also have Ham configuration on Crater Lake background.

**The surcharge is required only when the plates are initially issued.** The surcharge is not doubled when issuing Crater Lake plates on a vehicle with four-year registration. The surcharge is distributed to the Oregon Community Foundation for use on Crater Lake National Park projects. Crater Lake passenger plates may be transferred to another vehicle of the same type - see [Chapter K](#) for information about plate transfer requirements.

*When Crater Lake plates are initially issued, a surcharge of \$15.00 per plate is collected. See surcharge fee chart in this chapter.*

When Crater Lake plates are issued in conjunction with original registration (new vehicle or new to Oregon) the fees collected are the surcharge of \$15 per plate, the plate fee, and the registration fee.

When Crater Lake plates are issued to an Oregon-registered vehicle (customer does not already have Crater Lake plates), the fees collected are the replacement fee, the Crater Lake plate surcharge, plate fee, and, if renewing, the registration renewal fee.

When Crater Lake plates are replaced (customer already has Crater Lake plates), the fees collected are the replacement fee, plate fee and, if at renewal, the registration renewal fee. No surcharge is collected if the vehicle already has Crater Lake plates.

**NOTE:** Title and registration fees are no longer included in the following charts. Refer to the [Registration Fee Chart](#) and [Title Fee Chart](#) to assist in assessing fees.

The surcharge is distributed to the Trust for Cultural Development to fund specific arts, heritage, and humanities programs. Cultural plates may be transferred to another vehicle of the same type. See [Chapter K](#) for information about plate transfer requirements.

*When Cultural plates are initially issued or renewed, a surcharge of \$25.00 per plate is collected. See surcharge fee chart in this chapter.*

The Cultural plate surcharge does not double with four-year registration. The surcharge is collected at initial issuance and at each renewal.

When Cultural plates are issued in conjunction with original registration (new vehicle or new to Oregon) the fees collected include the surcharge of \$25 per plate, the plate fee and the registration fee.

When Cultural plates are issued to an Oregon-registered vehicle (customer does not already have Cultural plates), the fees collected are the replacement fee, the Cultural plate surcharge, plate fee and, if at renewal, the registration renewal fee.

**Portland Trail Blazers plates** (These plates are issued only to passenger vehicles.)

Portland Trail Blazers plates or custom Portland Trail Blazers plates may be issued for passenger vehicles. Passenger vehicles may also have Ham configuration on Portland Trail Blazers background. The surcharge, minus DMV administrative costs, will be transferred to the Trail Blazers Foundation. The foundation will use the surcharge proceeds received to issue grants for youth-related programs and initiatives. Portland Trail Blazers plates may be transferred to another vehicle of the same type - see [Chapter K](#) for information about plate transfer requirements.

*Portland Trail Blazer plates are initially issued or renewed, a surcharge of \$40.00 per set of plates is collected. See surcharge fee chart in this chapter.*

The Portland Trail Blazers plate surcharge does not double with four-year registration. The surcharge is collected at initial issuance and at each renewal.

When Portland Trail Blazers plates are issued in conjunction with original registration (new vehicle or new to Oregon) the fees collected are the surcharge of \$40, the plate fee and the registration fee.

When Portland Trail Blazers plates are issued to an Oregon-registered vehicle (customer does not already have Portland Trail Blazers plates), the fees collected are the replacement fee, the Portland Trail Blazers plate surcharge, plate fee and, if at renewal, the registration renewal fee.

Wine Country plates or custom Wine Country plates may be issued for passenger vehicles. Passenger vehicles may also have Ham configuration on Wine Country background. The surcharge is distributed to the Oregon Tourism Commission to support the promotion of agricultural and culinary tourism in Oregon. Wine Country plates may be transferred to another vehicle of the same type. See [Chapter K](#) for information about plate transfer requirements.

*When Wine Country plates are initially issued or renewed, a surcharge of \$30.00 per set of plates is collected. See surcharge fee chart in this chapter.*

The Wine Country plate surcharge does not double with four-year registration. The surcharge is collected at initial issuance and at each renewal.

When Wine Country plates are issued in conjunction with original registration (new vehicle or new to Oregon) the fees collected are the surcharge of \$30, the plate fee and the registration fee.

When Wine Country plates are issued to an Oregon-registered vehicle (customer does not already have Wine Country plates), the fees collected are the replacement fee, the Wine Country plate surcharge, plate fee and, if at renewal, the registration renewal fee.

When Wine Country plates are replaced (customer already has Wine Country plates), the fees collected are the replacement fee, plate fee, and, if at renewal, registration renewal fee. No surcharge is collected if the vehicle already has Wine Country plates.

**NOTE:** Title and registration fees are no longer included in the following charts. Refer to the [Registration Fee Chart](#) and [Title Fee Chart](#) to assist in assessing fees.

<b>IMPORTANT NOTICE FOR VEHICLES WITH COMBINED WEIGHT OVER 26,000 POUNDS</b>		
<p>Vehicles subject to weight-mile tax through the Commerce and Compliance Division (CCD) must be registered with CCD. This applies primarily to vehicles with a registration weight of 26,001 pounds or more. This also applies to Tow/Recovery vehicles hauling property for-hire, subject to the registration fees under ORS 803.420(14).</p> <p>Vehicles with registration weights of less than 26,001 pounds also may be subject to weight-mile tax if the vehicle's combined weight is 26,001 pounds or more. This would include, for example, a vehicle used exclusively to tow manufactured structures, since the manufactured structure is not included in the registration weight, but is part of the combined weight. If the combined weight of your vehicle is 26,001 pounds or more, you must register it with CCD. If you do not know if your vehicle is subject to weight-mile tax, contact the Commerce and Compliance Division, 3930 Fairview Industrial Drive SE, Salem, OR 97302. The telephone number is (503) 378-6699.</p> <p><b>Maximum Weight:</b> The maximum REGISTRATION WEIGHT per single vehicle or combination of vehicles is 105,500 pounds.</p> <p>Regardless of registration weight, variance permits must be obtained when operating vehicles in excess of 80,000 pounds combined weight or any operation that exceeds the maximum allowable weights as described in ORS 818.200. Unlike registration weight, combined weight includes the weight of any camper, trailing vehicles or their loads. Variance permits may be obtained from the Transportation Permit Unit, 3930 Fairview Industrial Drive SE, Salem, OR 97302. The telephone number is (503) 373-0000.</p>
