Public Comment	To whom it may concern at ODAV: I am writing in opposition to the adoption fo the Aurora Airport Master Plan, which includes an extension of the runway. This is NOT a good use of public funds. A busier airport with longer runway will create more noise pollution for our surrounding communities including Charbonneau, traffic congestion on the roads, and destroy prime farmland. All for who? A few billionaires from California who need a place to park their jets? No, thank you! Mary Rooney Wilsonville
