RE: Oregon and Southern Idaho District Council of Laborers' Proposed Revisions to Definitions of Covered Occupations.

Ms. Johnson:

I am writing this letter as an objection to the recent filing of changes brought forth from the Oregon and Southern Idaho District Council of Laborers.

Due to the fact that the Laborers request is too vague, covers too much scope, and conflicts with existing definitions, the Bricklayers and Allied Craftworkers Local #1 Oregon strongly objects to the request from the Laborers.

As a party of interest in this matter, we hereby request to be notified of any and all hearings, meetings, proceedings, or response due dates associated with the above referenced revision request.

Respectfully Submitted,

Matt Eleazer
