USACE Public Water-related Fatalities

- Note:
- 1971 Enactment of the Federal Boat Safety Act, the U.S. Coast Guard and the States began working within the forum of NASBLA, (National Association of Boating Law Administrators).
 - 1986 The Corps began promoting water safety nationwide through an annual, unified safety - education campaign.
 - 1994 National Operations Center (NOC) for Water Safety established
 - 1998 NOC began quantifying public fatality data

USACE Public Recreation Fatality One-Page Summary FY98 - FY19

 ### Started tracking fatalities that occurred in Outgranted areas in FY18

The total does not include the Table Rock Lake duck boat fatalities that occurred in July 2018 because it was a commercial vessel for hire and did not have to comply with recreational boating laws.

FY19 USACE Public Recreation Fatalities Associated with NOT wearing a LIFE JACKET

FY19

- **02 October 2018, Tuesday, 2050 hrs** 72 year-old male was attempting to retrieve his boat that had slipped away from boat trailer while at boat ramp. Unknown if alcohol was involved, NO LIFE JACKET WORN, USACE managed area at Tenn-Tom Waterway in SAM.
- **05 October 2018, Friday, 0147 hrs** 40 year-old female was at a marina slip and had been drinking heavily with the male owner of the boat, Uber had been called to take victim home but she decided to stay, male was paying Uber driver in parking lot when victim slipped on boat deck, hitting deck rail and gunwale before going into the water. Alcohol was involved, NO LIFE JACKET WORN, Outgranted area at Lake Lanier in SAM.
- **09 October 2018, Tuesday, 1000 hrs** 61 year-old male jumped in the water from houseboat to swim, boat drifted away and wife was unable to operate the boat effectively enough to get back to her husband. No alcohol involved, NO LIFE JACKET WORN, USACE managed area at Lake Cumberland in LRN.
- **30 October 2018, Tuesday, 1500 hrs** 62 year-old male walked down to go fishing in dam tailwater and fell in water, security camera footage from powerhouse and lock cameras show the incident. Unknown if alcohol was involved, NO LIFE JACKET WORN, USACE managed area at Old Hickory Lock and Dam in LRN.
- **05 November 2018, Monday, 1426 hrs** 48 year-old male shore fishing overnight, investigators believe he lost his footing and fell in. Alcohol was involved, NO LIFE JACKET WORN, Outgranted area at Lake Lanier in SAM.
- **12 November 2018, Monday, time UNK** 23 year-old female, body was found in water along shoreline south of boat ramp, has been determined as a drowning. Unknown if alcohol was involved, NO LIFE JACKET WORN, Outgranted area at Mark Twain Lake in MVS.
- **19 November 2018, Monday, 1145 hrs** 17 year-old male jokingly jumped off bridge wearing nothing but his boxer shorts. Alcohol was involved, NO LIFE JACKET WORN, Outgranted area at Lewisville Lake in SWF.

- **25 November 2018, Sunday, 1639 hrs** 52 year-old male was fishing and stopped to assist a hunter with his deer, they tied deer alongside the boat and when the boat was underway it started to take on water, the hunter made it to shore. Unknown if alcohol was involved, NO LIFE JACKET WORN, Outgranted area at William H. Harsha Lake in LRL.
- **06 December 2018, Thursday, 2333 hrs** 60 year-old female windsurfing, river conditions were very hazardous with extreme high winds and low temperatures, victim was wearing a helmet and dry suit. Unknown if alcohol was involved, NO LIFE JACKET WORN, USACE managed area at Bonneville Lock and Dam in NWP.
- **18 December 2018, Tuesday, 1200 hrs** 61 year-old male fell in while fishing from boat (double fatality, see below). Unknown if alcohol was involved, NO LIFE JACKET WORN, USACE managed area at Bardwell Lake in SWF.
- **18 December 2018, Tuesday, 1200 hrs** 40 year-old male fell in while fishing from boat (double fatality, see above). Unknown if alcohol was involved, NO LIFE JACKET WORN, USACE managed area at Bardwell Lake in SWF.
- **22 January 2019, Tuesday, 2200 hrs** 25 year-old male Ft Hood solidier, were fishing from canoes (two people in one canoe and one in another) one of the canoes capsized and during the attempt to save it the other canoe capsized. One person made it to shore. None were wearing life jackets. Water temperature was between 48-50 degrees (double drowning, see below). No alcohol was involved, NO LIFE JACKET WORN, USACE managed area at Belton Lake in SWF.
- **22 January 2019, Tuesday, 2200 hrs** 24 year-old male Ft Hood solidier (double drowning, see above). No alcohol was involved, NO LIFE JACKET WORN, USACE managed area at Belton Lake in SWF.
- **27 January 2019, Sunday, 0650 hrs** 49 year-old male fishing and boating alone. No alcohol was involved, NO LIFE JACKET WORN, Outgranted area at Whitney Lake in SWF.
- **09 March 2019, Saturday, 1236 hrs** 57 year-old male found floating in water near boat ramp, truck with trailer was backed into the water, truck was running and boat floating in the general area. No alcohol involved, NO LIFE JACKET WORN, Outgranted area at Beaver Lake in SWL.
- **12 March 2019, Tuesday, 2100 hrs** 60 year-old male fishing alone from shoreline and fell in water. No alcohol involved, NO LIFE JACKET WORN, USACE managed area at Russellville Lake in SWL.
- **16 March 2019, Saturday, time UNK** 50 year-old male fell off the back of a moving boat, victim was checking the motor and asked the boat operator (only other person on board) to speed up. Alcohol suspected, NO LIFE JACKET WORN, USACE managed area at John H Kerr Lake in SAW.
