Proposed Order

Pursuant to ORS 675.715 to 675.835 and OAR 833-01-001 to 833-60-001, the State Board of Licensed Professional Counselors and Therapists proposes to reject the application for examination of Ann D Beattie to obtain a license as a professional counselor and to close the application file on the facts set forth herein and incorporated by reference.

Right to a Hearing

The applicant, Ann D Beattie, has the right to a hearing under the provisions of the Administrative Procedures Act, ORS Chapter 183. Unless a hearing is requested in writing addressed to the Administrator, Board of Licensed Professional Counselors and Therapists, 3218 Pringle Road SE #160, Salem, Oregon 97302-6312 and is received on or before the close of business within 60 days from service by certified mail, or approximately March 17, 1997, this order becomes a final order without further action. If a hearing is requested, you may be represented by counsel at the hearing. Attached is information on the procedures, right of representation, and the rights of parties relating to conduct of the hearing as required under ORS 183.413(2).

Waiver

If you request a hearing but fail to appear at the scheduled hearing, the Board may issue a final order by default denying you a license. By failing to request a hearing or appear at a hearing, Ann D Beattie waives any statutory requirements as to the form of the order including Findings of Fact and Conclusions of Law under the provisions of ORS 183.470.

Facts and Statements in Support of Order

1. Application for licensure signed by Ann D Beattie was received September 20, 1995. Application materials included: a request and applicant information form, payment of the required fee, official transcript from Christian Theological Seminary, college catalog and degree materials, three attestations of supervised work experience, and a professional disclosure statement.

2. ORS 675.715(2) requires applicant to hold graduate degree in counseling from a CACREP approved program, a degree determined to meet comparable standards adopted by the Board, or a degree program determined to meet a majority of the standards adopted by the Board as long as the applicant can document completion of all the coursework required by the standards. Applicant holds a Master of Divinity (MDiv). An MDiv is not a graduate degree in counseling. The program did meet at least a majority of the standards because it did not require coursework in six out of eight areas as set forth in OAR 833-25-001 through OAR 833-25-006, not requiring courses in groups, research, or lifestyles and career development.

3. ORS 675.715(3) as defined by OAR 833-20-050 requires applicant to document three years of full-time supervised work experience, no less than 2,400 client contact hours of counseling meeting standards for supervision that include: level of supervision of at least one hours of supervision for every 20 direct client contact hours. Applicant's supervisor attests to only 52 supervision hours for 2,000 client cotact hours or one hour for every 38 hours of client contact.

4. OAR 833-20-020 requires applicants who fail to become licensed within one year to reapply. One year from application was September 20, 1996.

5. The Board of Licensed Professional Counselors and Therapists application file and the documents therein are incorporated by reference in support of this order in the form the file existed on January 1, 1997.
