Prepared By:

<https://www.preappinc.com>

"YOUR AVIATION DOLLARS AT WORK"

The purpose of this survey is to collect the rates and charges for all of Oregon's public-use airports, where information was made available. Compiled into one comprehensive document, the Oregon Department of Aviation (ODA) provides this resource to assist airport sponsors and operators with benchmarking, developing, and updating Rates and Charges for airports throughout Oregon.

Complete Rates and Charges Survey Results

The Rates and Charges Survey in its entirety is available on the Oregon Department of Aviation website at:

<https://www.oregon.gov/aviation/>

The dataset is also available in a sortable Microsoft® Excel based file on the Oregon Department of Aviation website at:

<https://www.oregon.gov/aviation/plans-and-programs/>

Rates and Charges Survey Items

 Aeronautical <small>Rates and Charges</small>	 Commercial <small>Rates and Charges</small>	 Non Aeronautical <small>Rates and Charges</small>
<ul style="list-style-type: none"> - Fuel Flowage - Landing - Tie Down - Develop Hangar - Hangar Ground Lease - Lease Terms - Fire Fighting Operations - Through the Fence (TTF) - Fixed Base Operator (FBO) - Specialized Aviation Services Providers - Unmanned Aircraft Systems (UAS) - Insurance Minimums 	<ul style="list-style-type: none"> - Badging - Terminal, Ramp, Gate - Concessionaires 	<ul style="list-style-type: none"> - Agricultural - Restaurant/Concessionaire - Car Rental - Vehicle Parking/Access Fee - Industrial/Commercial Development - Taxi Pick-up/Drop-off - Transportation Network Company (TNC) / Rideshare
