Memorandum

To: Coordinated care organizations (CCOs)

From: Veronica Guerra, CCO Operations deputy director

Date: Nov. 23, 2026

Subject: Changes to 2027 Health IT Roadmap Requirements

This memo is notice of Oregon Health Authority's (OHA) decision to make the changes described below to the Health Information Technology (IT) Roadmap for Contract Year (CY) 2027.

Notice of changes

Due date extension

OHA is extending the due date specified in Exh. J, Sec. 2, Para. d for the 2027 Health IT Roadmap as follows.

- Original due date: March 15, 2027
- New due date: April 30, 2027

Waiver of certain deliverable and contract requirements

OHA is waiving the requirements listed below for the 2027 Health IT Roadmap deliverable. They will **not** appear in the reporting template that OHA will provide to CCOs in early 2027. (Accordingly, OHA is also waiving the contract requirements in Exh. J, Sec. 2, Para. a that are the basis of the waived deliverable requirements.) Refer to the contract for the full text of all waived requirements.

- **Exh. J, Sec. 2, Para. d:**
    - Identification of milestones not included in the 2026 Health IT Roadmap
    - Submission of the annual health IT data file
- **Exh. J, Sec. 2, Para. d (2) (a):** Identification of EHR(s) vendor/product
- **Exh. J, Sec. 2, Para. d (3):** Description of progress made towards meeting EHR adoption targets

Why is this happening?

Based on recent CCO feedback, OHA is making these changes to relieve reporting burden and respond to CCOs' preference for the April 30 deadline.

What should you do?

Use the 2027 reporting template to complete your CCO's Health IT Roadmap and submit it via the Contract Deliverables Portal by April 30, 2027. OHA will post the reporting template on the CCO Contract Forms web page by Jan. 29, 2027.
