The Oregon Health Authority (OHA), Oregon Psilocybin Services Section (OPS) is charged with the jurisdiction, supervision, duties, functions and powers over the production, processing, transportation, delivery, sale, and purchase of psilocybin products and the provision of psilocybin services in the state. OHA issued a Notice of Violation and Intent to Impose Civil Penalty (Notice) on August 10, 2026, to Respondent, proposing to impose a civil penalty of $500. The Notice offered Respondent an opportunity for hearing if requested within 20 days of mailing of the Notice. The Notice designated the relevant portions of OHA's file on this matter, including all materials submitted by Respondent, as the record for purposes of default. The Respondent failed to appear at the scheduled hearing on August 31, 2026.

NOW, THEREFORE, after considering the relevant portions of OHA's file relating to this matter, OHA enters the following Order.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

3. Respondent did not submit service center data by OAR 333-333-4910 pertaining to the fourth quarter of 2025 by the January 25, 2026, deadline.

6. This is a Category V violation. OAR 333-333-6200(3). This is Respondent's first violation of OAR 333-333-4910. Under OAR 333-333-6200, Exhibit 1, a licensee's first Category V violation in a two-year period warrants a civil penalty of $500.

ORDER
