There are 10,284 patients with no growsite designated.”

11. Physicians Currently Associated with OMMP Registrations

On 04/01/2015, there were **1,681** physicians associated with protected OMMP registrations.

12. Physician Count and Percentage by OMMP Registration Range

Registration Range Count	Registration Count in Range	Physicians
1 - 450	16,864	1,659
> 450	56,592	22

The way to read the physician count statistic is, “There are 1,659 physicians who are currently associated with between one and 450 OMMP registrations, and account for 16,864 total registrations. There are 22 physicians currently associated with 450 or more OMMP registrations, and account for 56,592 total registrations.”

13. Percentage of Reduced Fee Eligibility Trend by Year⁴

	No Reduced Fee Eligibility	SNAP	OHP	SSI	VET
2012	59.6%	31.5%	2.5%	6.4%	N/A
2013	61.4%	27.6%	4.5%	6.5%	N/A
2014	56.1%	14.4%	22.5%	6.5%	0.5%

14. Applications Received Trend by Year⁵

Notes:

- ¹ Participant counts are based on unique combinations of person, role (patient, caregiver, grower) and mailing address county. If one person is the caregiver for three patients and has a mailing county of Multnomah on all three patient applications, he or she would be counted once as a caregiver in Multnomah County. If one person is a caregiver for three patients and has Multnomah as his or her mailing address on 1 patient application, and Clackamas on the other two patient applications, he or she would be counted once as a caregiver in Multnomah County, and once as a caregiver in Clackamas County. Growsite address counts are based on unique addresses (street address and county). If one address is designated as the growsite for three patients, it will be counted once. If a participant does not have a county designated, he or she will not be counted.
- ² Conditions are not mutually exclusive; one patient may report one or more conditions.
- ³ Patient per caregiver, grower, and growsite counts are based on the total number of individuals in a role (caregiver, grower), or the total number of addresses, regardless of if it is the same individual or address. If one person is the caregiver for three patients he or she would be counted three times.
- ⁴ OMMP application fee types and current amounts are as follows:
- “No Reduced Fee”: No reduced fee proof is submitted with the application. Fee is **\$200**.
 - “SNAP”: Acceptable Oregon Supplemental Nutrition Assistance Program proof is submitted with the application. Fee is **\$60**.
 - “OHP”: Acceptable Oregon Health Plan proof is submitted with the application. Fee is **\$50**.
 - “SSI”: Acceptable Supplemental Security Income proof is submitted with the application. Fee is **\$20**.
 - “VET”: Acceptable proof of either service connected compensation from the Veteran’s Administration (“VA”) based on a finding of 100% service connected disability or receipt of a needs-based pension from the VA as described in OAR 333-008-0020 is submitted with the application. Fee is **\$20**.
- ⁵ Counts are of applications received with application fees.

Statistics compiled 04/01/2015 and 4/02/2015.

There will be natural fluctuations in statistical totals due to workflow and timing of compilation.
