#### Nonmedical exemption / *Taropwen ketiweu, esapw seni tokter*

I have received information regarding the benefits and risk of immunizations. I understand my child may be excluded from school or child care if there is a case of disease that could be prevented by vaccine.

I have attached the required document from (check one):

- The vaccine module approved by the Oregon Health Authority
- A health care practitioner

# Instructions for Completing the Certificate of Immunization Status

---

## Contact information:

Complete information for your child including full name, birthdate, current mailing address, parents' or guardians' names and phone number. This information will be used to contact you if there are questions about your child's immunization history.

---

## Required vaccines (Front):

Fill in the month/day/year that your child received each dose of vaccine. Doses must be listed in the order received. Check with your child's school or daycare to find out which vaccines are required for your child's age or grade.

---

## Signature:

The parent or guardian signature is a sworn statement that the child's record is accurate. The signature of a physician or local health department is not required but it is acceptable. People 15 years and older can sign their own records. **Every time you add on to your child's information you need to resign the form.**

---

## Recommended vaccines (Back):

For any vaccine not listed on the front, fill in the month/day/year that your child received each dose of vaccine.

---

## Exemptions:

Oregon allows medical and nonmedical exemptions.

For a nonmedical exemption, check the appropriate box and submit one of the following required documents:

1. A certificate signed by a health care practitioner verifying discussion of the benefits and risks of immunization, or
2. A certificate of completion of the vaccine educational module about the benefits and risks of immunization.

Indicate which vaccines you are exempting your child from by checking the boxes. Sign and date on the indicated line.

For a medical exemption or proof of immunity, submit a letter from your child's physician to the school or child care.
