

Online auction sites

The Oregon state government Surplus Property Program uses three online auction providers to sell property: Public Surplus and GovDeals for state personal property, and GSA Auctions for federal personal property.

Online Auction Providers

To access the list of online auction providers, as well as registration and technical support information, visit the [online auction providers](#) page. Auctions are posted on a daily basis and generally last for seven days, unless otherwise specified. If a bid is received within the final few minutes of an auction, the auction will be extended by a few minutes.

The Oregon Surplus Property Program reserves the right to withdraw any property if a legitimate need arises for reuse by a qualified public agency.

Payment and Pick up

Payment for auctions can be made:

- Online using Visa, MasterCard, or Discover (we are unable to accept American Express)
- By phone with the cashier using one of the above-listed cards
- Cash, if paying in person ONLY
- By money order or cashier's check made out to "DAS – Surplus Property Program" (no personal or business checks)
- By wire transfer (for more information regarding wire transfers, contact the cashier at 503-378-6037 or by email at EAM.Auction@das.oregon.gov)

Items won through online auction must be paid for and picked up within seven calendar days of the auction's close, or the winning bidder will default on the auction and be blocked from bidding on future auctions with Surplus Property. If an item is paid for but not picked up, ownership defaults to the State and the item will be re-listed for auction with no refund issued to the original purchaser (OAR 125-50-0400(5)(a)(b)).

Please Note: If a bidder defaults on items on a regular basis, the manager of the Oregon Surplus Property Program may permanently revoke the bidder's participation in future auctions (OAR 125-50-0400(6)).

The "General Store"

The Surplus Property General Store is a daily cash and carry area located at the main property warehouse in Salem at 1655 Salem Industrial Dr NE. The general store typically contains items like desks, office chairs, file cabinets, etc. The public is welcome to shop Monday through Friday, 1 - 4 p.m., excluding holidays. These hours are also set aside for inspection, payment and pick up of items won online.

Payment for General Store purchases can be made in person:

- Using Visa, MasterCard, or Discover (we are unable to accept American Express)
- By money order or cashier's check made out to "DAS – Surplus Property Program" (no personal or business checks)
- Cash, if paying in person ONLY

For General Store purchases, all purchases must be removed by 4 p.m. the next business day, unless the sale supervisor or their designee has given prior approval. If property has not been picked up within the specified time, the property can be sold to another customer with no refund issued to the original purchaser (OAR 125-50-0400(5)(b)).

More Information

You can see the Oregon Administrative Rules governing Surplus Property's sales to the public [here](#).
