OREGON DEPARTMENT OF ENERGY

Leading Oregon to a safe, equitable, clean, and sustainable energy future.

Our Mission

The Oregon Department of Energy helps Oregonians make informed decisions and maintain a resilient and affordable energy system. We advance solutions to shape an equitable clean energy transition, protect the environment and public health, and responsibly balance energy needs and impacts for current and future generations.
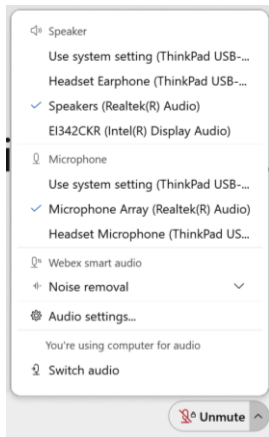

What We Do

On behalf of Oregonians across the state, the Oregon Department of Energy achieves its mission by providing:
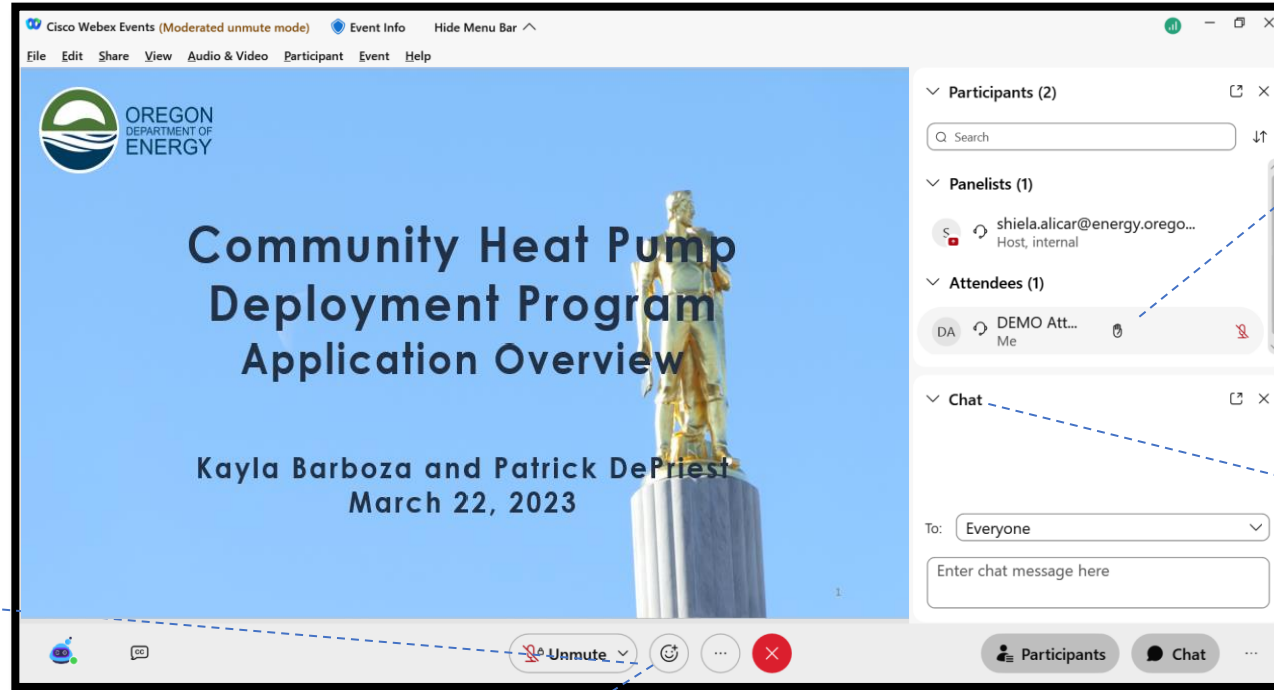

- A Central Repository of Energy Data, Information, and Analysis
- A Venue for Problem-Solving Oregon's Energy Challenges
- Energy Education and Technical Assistance
- Regulation and Oversight
- Energy Programs and Activities

Community Heat Pump Deployment Program
Regional Administrator Partnership Interest List

OREGON
DEPARTMENT OF
ENERGY

The Oregon Department of Energy is seeking eligible entities to serve as Tribal and regional administrators for the **Community Heat Pump Deployment Program**. The tables below share names and contact information for entities that have shared their interest in being a regional administrator or partnering with one through this survey form. This list is for informational purposes only and does not indicate an endorsement of any applicant or proposed partner entity. ODOE has a competitive application open now, closing April 7, 2023. Additional information is available on ODOE's website and in the program Opportunity Announcement.

Interested Eligible Entities by Region

Region	Entity Name	Desired Role	Contact Information
Central			
Greater Eastern Oregon			
Metro			
Mid-Valley			
North Central			
North Coast			
Northeast Oregon

Community Heat Pump Deployment Program

Welcome to the Community Heat Pump Deployment Program at Oregon Department of Energy

The program provides grants to Regional Administrators who provide financial assistance to individuals within the region or who are members of an Oregon tribe for the purchase and installation of heat pumps and related upgrades.

The Community Heat Pump Deployment Program is open to the following:

    A) Local government as defined in ORS 174.116;
    B) Local housing authority;
    C) Nonprofit organization;
    D) Federally recognized Indian tribe in Oregon;
    E) Coordinated care organization as defined in ORS 414.025;
    F) Community action agency as described in ORS 458.505;
    G) Manufactured dwelling park nonprofit cooperative as defined in ORS 62.803; or
    H) An electric utility

Applications are currently being accepted for opportunity announcement 22-025: Grant dollars to provide financial assistance for the purchase and installation of heat pumps and related upgrades.
Applications are due April 7, 2023.

To apply, select the option below to "Complete a grant application".
Your application progress will save each time you click the 'Next' button in the application. If you click 'Previous' or leave the page before clicking 'Next', your progress on that page will be lost. You can leave the page and return later to your saved application by again selecting "Complete a grant application".

Applicants wishing to amend or withdraw an application, or check its status, can do so by selecting those options from the same drop-down menu.
