

Exhibit BB

Project Order Requests

**Sunstone Solar Project
June 2023**

Prepared for

Sunstone Solar, LLC

Prepared by

Tetra Tech, Inc.

Oregon Administrative Rule (OAR) 345-021-0010(1)(bb) requires proponents to provide “any other information that the Department requests in the project order or in a notification regarding expedited review.”

In its Project Order of September 26, 2022, the Oregon Department of Energy stated that no additional information is required in Exhibit BB. All information required by Oregon Administrative Rule 345 Division 21 or otherwise identified in the Project Order has been provided in the relevant exhibits.
