

Oregon Safe and Effective Schools for All Advisory Committee

March 20, 2018

8:30am-3:30pm

Remote participant information:

<https://global.gotomeeting.com/join/244169653>

Dial-in: +1 (872) 240-3212

Access Code: 244-169-653

Meeting Objectives:

- Understand how adult behaviors and mindsets can shape student academic, social, emotional, and behavioral outcomes
- Articulate a shared understanding that all students can succeed in a supportive school environment
- Identify priority categories for planning evidence-based practices and supports based on a root cause analysis of underlying issues
- Agree to an understanding of the vision to guide short- and long-term state policy changes
