

FROM THE PRINCIPAL

Dear Parents and Community Members,

Along with a complete curriculum of language, math and science, we offer a number of specialty classes to augment the regular course instruction. In grades 1 thru 8, we offer foreign language, handwork and games. In grades 4 thru 8 all children learn to play the violin and sing in the choir. Our instruction is infused with art, music and drama. We pride ourselves on meeting the needs of the whole child through lessons that address the needs of the "head, heart and hands"

This year we are going to focus on implementing CCSS curriculum for Mathematics by aligning the standards with the Waldorf math curriculum and providing in-service to our teachers to help them

better teach the math concepts to our students.

Our Charter was renewed this year for a five year term. We are pleased to serve the Rogue Valley by providing the option of Waldorf inspired education to our community.

Thank you,

Principal | Joe Frodsham
