

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

The report card issued by the Oregon Department of Education offers a comprehensive picture of academics and growth at Four Rivers Community School. In the 2013-2014 school year, Four Rivers Community School received an **Overall State Rating of 3** on a 1-5 scale.

We are pleased with this rating and will continue to work hard to increase our Achievement Levels. We still have more work to do. We are very excited that Four Rivers Community School received high rating in the area of "Academic Growth". In general schools that receive a rating of Level 3 would be slightly below the state average. Four Rivers Community

School is rated "Above Average" when compared to other schools with similar demographics. We are proud of the achievements that students are making in two languages and appreciate your continued support.

Please help make FRCS even more successful by staying involved, communicating with your child's teacher and attending workshops and conferences offered at the school. If you would like more information or some help interpreting this information, please let us know.

Thank you,

Director | Chelle Robins
