

High School Success Plan
2021-2023

OREGON
DEPARTMENT OF
EDUCATION

Lead Organization	Paisley School District
Goal #1	All students will meet with an academic counselor to plan post high school academic and career pathways.
Short-Term Outcome	Staff and students will meet at least three times per year to review progress, adjust schedules to meet needs, plan for intermediate interventions and evaluate program.
Long-Term Outcome	Targeted subgroups will meet or exceed on-track to graduate targets; targeted subgroups will meet or exceed Paisley High School graduation rate.
Goal #2	All students will have access to increased opportunities for CTE course-work, as well as increased opportunities for advanced academic coursework.
Short-Term Outcome	Opportunities for students to enroll in CTE and advanced coursework will be expanded by: outreach efforts to encourage students to enroll in advanced coursework; advisory/counseling efforts will identify and make available opportunities for students to explore career focus areas through master schedule changes, on-line courses, guest speakers and individual planning.
Long-Term Outcome	Student enrollment in advanced coursework and CTE coursework will increase by 10% for all students, including identified focus sub-groups.
Career Technical Education Activity #1	Expand courses for our new program of study; expand CTE course offerings for all students
Goal(s) this activity addresses	Goal 1 , Goal 2
