

High School Success Plan
2021-2023

Lead Organization	RiverBend High School
Goal #1	All students will be provided access to CTE courses and college opportunities.
Short-Term Outcome	40% of graduates from RiverBend High School will have at least one college-level class and/or CTE course on their high school transcript. Meeting with students individually, staff coordinators and others encouraging all students to take one or more courses. Modified teaching schedules in order to supervise afterschool support and will pay for at least one course per year.
Long-Term Outcome	Secondary placement rates (as noted on CTE 90% data) will increase 10% (from 38-48%) Student enrollment in advanced coursework and career and technical courses will rise by 25%.
Goal #2	Prior to the end of the 2021-2022 school year, each student at RiverBend High School will have a developed education plan that includes a personalized career pathway, including job shadow opportunities for both high school graduation and post-secondary education.
Short-Term Outcome	Graduating students will have participated in at least one career-related learning experience (part-time jobs, job shadows, work experience, etc.).
Long-Term Outcome	Secondary placement (either academic or employment) rates will increase by 10% by the end of the 2024-2025 school year.
