

Breakfast after the Bell
SY 2023–24 Required and Exempt Eligible Site List

Required and Exempt Eligible Sites Calculation Explanations

Data Source:

Due to the disruption of normal school nutrition operations during the pandemic, SY 2022-23 CNPweb site claim data was used as the evaluation period instead of the 2nd preceding year as prescribed in OAR 581-051-0600 (2)(a).

Site Types:

Only Public Regular, Public Boarding, or Public Charter Schools are listed.

BAtB Required:

Schools required to implement a breakfast after the bell program reported at least 70% of their enrolled students eligible for free or reduced-price meals during the evaluation period.

For schools participating in the Community Eligibility Provision (CEP), their Site ISP x 1.6 was used as a proxy for eligibility calculation.

BAtB Exemption Eligible:

Schools eligible for an exemption from the Breakfast After the Bell requirement have reported serving breakfast to at least 70% of their free or reduced-price eligible students during the evaluation period.
