Per provisions of Oregon Administrative Rules (OAR) 740-03-0015 and 740-040-0070, Oregon Department of Transportation places a limit on how many temporary tax credentials a carrier may purchase in a twelve (12) month period. The limit is five (5) temporary passes for a single unit, or thirty-five (35) temporary passes total. When operations have exceeded these amounts, vehicle(s) will need to be enrolled in the Oregon Weight-Mile Tax Program.

A carrier may be exempt to this policy based on the operations they are performing. For consideration of this exemption, provide a statement describing your operations in Oregon. If approved you may continue to order temporary passes as an Established carrier. To become an Established carrier submit an Application for Motor Carrier Account. Per ORS Chapter 825.506, the Department may require a cash deposit to ensure the collection of any unpaid fees and/or taxes. The Department will establish the amount of such cash deposit per Department standards and practices.

I (WE) REQUEST THE OREGON DEPARTMENT OF TRANSPORTATION TO EXEMPT ABOVE COMPANY FROM TEMPORARY PASS RESTRICTION FOR THE FOLLOWING REASON:

I HEREBY CERTIFY THAT THE STATEMENTS CONTAINED IN THIS APPLICATION ARE TRUE AND CORRECT.
