Tobacco Reduction Advisory Committee October 23, 2023

Introductions

Tobacco Reduction Advisory Committee

Jen Chandler – Policy & Program Manager Oregon Health Authority - Public Health Division

Tobacco Prevention Education Program (TPEP) Overview

Tobacco Reduction Advisory Committee

Steven Fiala, Tobacco Policy and Partnerships Lead Oregon Health Authority - Public Health Division

Health Promotion and Chronic Disease Prevention PUBLIC HEALTH DIVISION

BREAK

Health Promotion and Chronic Disease Prevention PUBLIC HEALTH DIVISION

Shared Governance

Tobacco Reduction Advisory Committee

Lily Banning, Tobacco Policy Specialist
Oregon Health Authority – Public Health Division

TPEP Ambassador Group

Purpose:

 Develop recommendations for a new, sustained TPEP governance model that ensures all partners in Oregon's commercial tobacco prevention system have equal voice, decisions are made equitably and inclusively and communicated transparently, and program priorities and budgets represent the full spectrum of prevention, including addressing the root causes of tobacco use.

Responsibilities:

- Determine scope of decision-making
- Identify membership and recruitment process
- Establish meeting frequency and implementation timeline
- Ensure feedback from respective groups is integrated into process and planning

Timeframe: September 2023 – February 2024

CONTRACTS DETAILS	
Tobacco Policy Change Training and Technical	\$180,000
Assistance Contractor (Counter Tools): Supports	
training and technical assistance framed around the	
policy change model to support strategic, rapid	
tobacco prevention policy advancement.	
Smokefree Policy Technical Assistance:	\$60,000
Placeholder if we decide not to include smokefree	
policy technical assistance in the Counter Tools	
Affinity Group contract.	
Community Policy Leadership Institutes	\$100,000
Contractor: Supports training and technical	
assistance including a series of two-day institutes	
throughout the state to develop community	
leadership capacity for tobacco prevention policy in	
partnership with equity partners.	
Events Logistics Contractor: Coordinates logistics	\$150,000
for Grantees and Contractor Meeting, Place Matters	
Conference, Community Policy Leadership	
Institutes, Tobacco Policy Change Trainings, and	
SRCH trainings.	
Learning Communities: Co-creates, convenes, and	\$125,000
facilitates new commercial tobacco prevention and	
cessation learning communities with CBOs	
(including CBO-LPHA alignment learning	
community).	

Support implementation of new shared governance model, convene and facilitate new TPEP governance group as recommended by Ambassador Group. CDC Menthol Regional Coalitions: Mini grants to CBOs to convene community members about increasing awareness of the harms of menthol tobacco products and collaborating on effective interventions (6 total). CDC Menthol Statewide Coalition: Contract to Upstream Public Health (with subcontract to Center for Black Health and Equity) to convene statewide coalition to increase awareness of menthol and flavored tobacco product harms and advance evidence-based interventions. Youth Advisory Council (YAC): Continued financial support of Youth Advisory Council convened by the Adolescent and School Health program. Supports state staff time, contract with facilitator, stipends for participating youth, and contract with CBO supporting youth mentorship opportunities. CBO Funding Landscape Analysis: Contract for landscape analysis of public and private funding sources to CBOs for work on public health interventions, including social determinants of health and root causes. DocuSign Pilot Project: Pilot project to manage contracts and grant agreements electronically. Should allow for quicker execution of contracts/grants and better tracking of spending. Culture Change and Strategic Planning: Support ongoing contract with external organizational change management and strategic planning
