OREGON MILITARY DEPARTMENT	NUMBER: 99.200.20
ADJUTANT GENERAL PERSONNNEL	EFFECTIVE DATE: June 29, 2022
SUBJECT: Fire Protection Policy	

# **APPLICABILITY:**

This policy/procedure applies to Oregon Military Department employees.

# **AUTHORITY/REFERENCE:**

OAR 437.002.0043, 29 CFR 1910.39

## **ATTACHMENTS:**

Fire Protection Plan

# **PURPOSE:**

To provide a written guideline on fire protection and prevention in the workplace for all employees to view.

#### **GUIDANCE:**

- Each location must provide: A list of all major fire hazards, proper handling and storage procedures for hazardous materials, potential ignition sources and their control, and the type of fire protection equipment necessary to control each major hazard.
- Procedures to control accumulations of flammable and combustible waste materials.
- Procedures for regular maintenance of safeguards installed on heat-producing equipment to prevent the accidental ignition of combustible materials.
- The name or job title of employees responsible for maintaining equipment to prevent or control sources of ignition or fires.
- The name or job title of employees responsible for the control of fuel source hazards.

### **RESPONSIBILITIES**:

It is the responsibility of the manager to ensure training of new staff in the areas of fire prevention and protection. Training should be included in the onboarding process. The manager must maintain or may designate staff member(s) to complete the attached fire prevention plan. This plan must be updated when changes occur and annually.
