APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be all counties in the State of Oregon.

These standards shall also cover Clark, Cowlitz, Klickitat, Skamania, Wahkiakum in the State of Washington under the terms and conditions of the reciprocal agreement.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age: Eighteen (18) years of age
Education: High school graduate or GED equivalent
Physical: None
Testing: None
Other: None

Note: See Section X (6) (a) & (b)

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

2. Application notice and schedule:

(a) The committee will accept and process applications as the need arises on dates specified by the committee in accordance with regulations, these Standards, its Affirmative Action Work Plan and its policies and procedures.

(b) Persons who complete an application will be scheduled for an interview. An application shall be considered complete only when documents are submitted that

- confirm minimum qualifications have been met.
- (c) A person who fails, within 90 days of the initial submission of an application, to document achievement of the application minimums will be disqualified as an applicant. The Committee will provide disqualified applicants with written notice of the decision and shall include the basis for the rejection and an explanation of any available appeal rights.

Pool of Eligibles:

- (d) Interviews, upon reasonable notice, will be scheduled for all qualified applicants who will be ranked in descending order from highest to lowest cumulative score calculated under the initial employment placement system.
- (e) Persons placed in the ranked Pool of Eligibles will remain on the list for two years from the date they first entered the list, except in the following circumstances:
- at the request of the person; or,
 - if removed in accordance with the Committee's Initial Employment Policy and its Procedures.
- (f) It shall be the responsibility of the applicant to notify the committee of any change in address or telephone number.

EXCEPTIONS

1. CURRENT APPRENTICE (Transfer)

The Committee will permit an active registered apprentice who has completed an equivalent program's probationary period, to transfer to the Oregon/SW Washington Heat and Frost Insulators and Allied Workers JATC in accordance with its Standards, its Affirmative Action Work Plan and its policies and procedures

2. EXPERIENCED APPRENTICES

The Committee, upon the following terms, committee policies and these standards, may permit an apprentice, who voluntarily withdrew from this program or an affiliated International Association of Heat and Frost Insulators and Allied Workers, to re-enter at any time and resume training at that level and term which the Committee finds appropriate to the skills, knowledge, education and training of the apprentice.

The committee shall consider an application for readmission from such a former apprentice:

- The applicant has made no other application for readmission to this program;
- Not less than 180 days have passed since this committee's formal cancellation decision;
- Application for readmission has been made on a form obtained from the committee and signed by the applicant.
- The applicant meets the program Minimum Qualifications;
- The applicant has gained at least 1,700 OJT hours and 144 Related Training Hours in the four (4) years preceding application for readmission.

3. NEW TRAINING AGENT

If an employer had not participated in the training of an apprentice under ORS Chapter

660 for at least two years prior to seeking entry or re-entry into the apprenticeship program, that employer may select his/her initial apprentices from those bona fide employees who have been on his/her payroll for at least three months and five hundred paid work hours prior to the employer's application for an apprentice. The subject employees must meet the current minimum qualifications. Once the initial selection of apprentices has been made, the employer is thereafter restricted to the ranked pool of eligibles list.

5. PRE-APPRENTICESHIP

The JATC will approve the direct referral of graduates successfully completing OSATC and Committee approved pre-apprenticeship programs, providing, the individual completed during the previous five (5) years. This priority is granted by the program sponsor without regard to established eligibility lists and the necessity of requiring these pre-apprenticeship graduates to further qualify. Such priority is granted without regard to race, color, religion, national origin or gender. Those graduates will be placed at the bottom of the "apprentice out-of-work" list.

7. ORGANIZING (Union organizes an employer)

For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such

information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))
2. Wage progressions shall be indicated in hourly or monthly periods (the registration agency recommends the use of hour periods) set by the Sponsor. (See ORS 660.126 (h))
3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))

(See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **April 26, 2010** is \$ **37.51** per **hour** .
