APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Benton, Gilliam, Hood River, Lincoln, Linn, Marion, Polk, Sherman, Wasco, and south one-half of Yamhill Counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age:	Eighteen (18) years of age
Education:	High school graduate or General Education Development (GED) Certificate of Equivalency

The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

An applicant may be removed from the committee's eligibility lists and/or barred from future application for up to one year for documented acts of abuse, assault, battery, harassment, intimidation, stalking, or other threatening behavior toward an individual involved in the operation of an apprenticeship or training committee, including (but not limited to) committee members, staff to the committee, representatives of participating unions and training agents, and staff of classroom training facilities.

2. APPLICATION NOTICE AND SCHEDULE

- a. The sponsor will open for applications when its current pool of eligibles (including out-of-

work apprentices) falls below the number established by committee action.

- b. The sponsor will open for minimum of ten (10) days to accept applications.
- c. The sponsor will distribute the opening announcement at least 30 days in advance of the earliest date for application.
- d. Prior to distributing notices, the proposed public notice will be provided to the assigned Apprenticeship Representative, who will review the announcement for accuracy and completeness.
- e. Public notices will be disseminated in accordance with the sponsor's Affirmative Action Plan. This notice shall be distributed not less than 30 days in advance of the first date applications will be accepted.

These items will be included on the public notice:

- minimum qualifications
- addresses where applications are available
- time and dates and places where applications and supporting documentation will be accepted

- documentation requirements to show evidence of minimum qualifications and to receive points for education and work history
- geographic area(s) of work
- contact person
- description of the application process

Other items that may be included on the public notice:

- work processes and number of hours
- average journeyman rate and progression scale for apprentices
- specific related training requirements
- occupational outlook

3. APPLICATION PROCESS

- a. An application will be provided to any interested individual.
- b. The sponsor will maintain a log, which will identify all prospective applicants by a log number that corresponds to the application number. The log will be used to track the history of the individual applicant, noting the date the application was provided, the manner by which it was provided, the date it was returned to the program sponsor, the selection tools employed and their outcome (failed to appear for interview, application rating score, date attended safety training, etc.) and the final disposition (rejected for MQ's, unranked, in ranked pool of eligibles, etc.)
- c. The application form will provide a space for the applicant to indicate geographic availability for any or all geographic areas:
 - Lincoln County
 - Benton, Linn, Marion, Polk, and south half of Yamhill counties
 - Gilliam, Hood River, Sherman and Wasco counties
- d. The sponsor will date stamp completed applications and supporting documentation upon receipt.

4. VERIFICATION OF MINIMUM QUALIFICATIONS

- a. All applications and supporting documentation will be reviewed to determine if minimum

qualifications are met.

- b. Applicants who do not meet the minimum qualifications established in the public notice and standards will be notified in writing. Notification will include the:
 - reason for rejection

 - appeal rights available to rejected applicants
- c. Applicants who meet the minimum qualifications will be placed into the pool of accepted applicants.

5. RANKED POOL OF ELIGIBLES

- a. Applicants will not be indentured as apprentices until all accepted applications received during the open application period have been rated and ranked. A ranked pool of eligibles will be created on a specific date.
- b. Accepted applicants will be ranked based upon the attached point system using documented previous experience and education and will remain in the ranked pool of eligibles for two years from the date eligibility is established or would have been established had the applicant completed the necessary steps as scheduled.
- c. Eligibles may be removed from the ranked pool of eligibles at an earlier date by their request, following failure to respond to an opening as specified by the committee's policy, or by submitting a new application during an open application period.

6. ACCEPTED FOR APPRENTICESHIP LIST

- a. An Accepted for Apprenticeship List will be established consisting of the top applicants in the Ranked Pool of Eligibles.
- b. The number of applicants to be placed on the accepted list will be determined when the program opens for applications by calculating 20% of the average number of apprentices registered to the occupation in the previous 5 years or 10 applicants, whichever is greater. When the number of applicants on the accepted list falls to 50%, the list will be replenished from the Ranked Pool of Eligibles to its original number.
- c. List positions are subject to change if and when additional new applicants are accepted into this pool. New applicants will be seeded into the accepted for apprenticeship list based upon their score. Applicants will remain eligible for indenture until registered or until they voluntarily request to be removed from the list or until their 2-year eligibility expires.

7. PLACEMENT PROCESS

- a. Training agents may choose one applicant by name from the Accepted for Apprenticeship List. Their next new apprentice must be selected from the top of the Accepted for Apprenticeship List.
- b. The training agent may then alternate between the top of the Accepted for Apprenticeship List and any individual on the Accepted for Apprenticeship List.
- c. Training agents will have first opportunity to indenture current employees when they reach the top of the Accepted for Apprenticeship List.
