APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Georgia Pacific, Inc. facilities within Lincoln County in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

Employees will be indentured into an apprenticeship position in a trade active at the Toledo Paper Operations of Georgia-Pacific through the Georgia-Pacific Trades Apprenticeship Committee (GP TAC) under one of the following situations:

Note: Individuals indentured using #1 and #2 must meet the minimum qualifications as listed in the standards excluding the "Complete trade(s) specific Pre-apprenticeship Program".

2. A qualified journey level employee, having successfully completed the journey level trade specific selection test, the Bennett Mechanical test, and the evaluation of previous education and/or experience through the hiring process may be indentured into the Apprenticeship Program. In order to obtain the Oregon State journey level card. These individuals must document legal work experience and related instruction equal to the hours specified in the apprenticeship standards. In this situation, the employee will continue to be paid journey level wages.
In order to progress in the Apprenticeship Program, documentation of previous education and/or experience shall be submitted to the GP TAC for evaluation within four months of indenture. Progress reports detailing hours worked will be maintained and the related training curriculum (approximately 144 hours per year) established by the trade representatives after evaluation of prior education will be completed within scheduled time lines in order to progress to completion of the program.
3. The Labor Agreement provides that outside mechanics may be hired in the E&I Technician's Craft at a position below the E&I Journeyman classification. A candidate hired with a Limited Manufacturing Plant Electrical License will be paid the rate of a level 7 Apprentice. A candidate hired with a two-year degree in Electronics from a vocational training institution will be paid at a level 4 Apprentice.
4. Employees hired into E&I under this Labor Agreement language will be indentured into the Apprenticeship Program through the GPTAC. In order to progress in the Apprenticeship Program, documentation of previous education and/or experience shall be submitted to the GP TAC for evaluation within four months of indenture. Progress reports detailing hours worked will be maintained and the related training curriculum (at least 144 hours per year) established by the trade representatives after evaluation of prior education will be completed within scheduled time lines in order to progress to completion of the program.
5. Production employees who wish to qualify for apprentice selection will be required to meet minimum qualifications in order to bid for such position. Minimum qualifications to qualify for the selection process for an apprenticeship position are:

2. When you have been set up for an NT account, you will be registered for the ACTIV Math, Reading & Writing Enhancement, and trade-specific computer-based training lessons and shown how to access these training lessons on computers located in MOD 3 or 5.
 3. You will be scheduled to take the ASSET Placement Test at Oregon Coast Community College at a time that is convenient to your work schedule. When you have completed the test and receive documentation from the college of your level of math skill proficiency, take the written documentation to the Training Office.
 4. If the ASSET Placement Test indicates that you have math skills that surpass those required in the Pre-apprenticeship Program, the OCCC Algebra courses will be waived. If not, you will be registered in Introductory Algebra, or if enrolling in the E/I Pre-apprenticeship Program, the course at which the ASSET Placement Test placed you (Elementary or Intermediate Algebra).
