APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Deschutes, Crook, Jefferson, Linn, Benton, Marion, Polk, Lane (East of Coast Range) and Yamhill (south of Newberg) counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

An applicant may be removed from the committee's eligibility lists and/or barred from future application for up to one year for documented acts of abuse, assault, battery, harassment, intimidation, stalking, or other threatening behavior toward an individual involved in the operation of an apprenticeship or training committee, including (but not limited to) committee members, staff to the committee, representatives of participating unions and training agents, and staff of classroom training facilities.

2. A pool of eligible applicants shall be established consisting of individuals who qualify for oral interview. To qualify for oral interview, an applicant must meet the following basic requirements unless he or she has a minimum of six thousand hours of substantial electrical construction work experience.
3. The committee shall select apprentices from a ranked pool of eligible applicants according to the following procedure:
 - a. Application Notice and Schedule
 - i. The committee will accept applications on a year-round basis, on dates and times specified by the committee.
 - ii. Applications will be evaluated as announced in the committee's most current opening announcement.
 - iii. Application information will be disseminated according to the committee's affirmative action plan at least semi-annually. Information will:
 - Include the dates, times, and location applications will be accepted;
 - List the minimum qualifications for the program, supporting documentation required and applicable timelines;
 - Provide a general description and duties of the occupation;
 - Provide a summary of the application process.
 - b. Application process
 - i. Applications will be provided to all interested individuals at a time and location determined by the JATC.
 - ii. Prior to receiving an application, each applicant's name will be entered in the "Applicant log" which will identify all applications by a log number that corresponds to the application number.
 - iii. Applicants will indicate the zone* or zones within the jurisdiction[†] of the Central Electrical JATC in which they will accept a position if it is offered.
 - iv. All supporting documentation must be submitted by the deadline specified in the

- opening announcement.
- c. Applicant must achieve a qualifying score on the NJATC Aptitude exam. The qualifying score will be determined by the local JATC (except for those meeting the minimum qualifications by virtue of Military Occupational Specialty, who take the test for norming purposes only)
 - d. Verification of minimum qualifications - All applications and supporting documentation will be reviewed for minimum qualifications.
 - e. Non-qualified applicants - Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool, and the appeal rights available to the applicant.
 - f. Pool of eligible applicants
 - i. Qualifying applicants will be scored and ranked using the four page interview rating form recommended by the NJATC for the Electrical Industry and Certified and Approved by the U.S. Department of Labor, Bureau of Apprenticeship and Training on September 8, 1997.
 - ii. These individuals will then be placed in the ranked pool of eligible applicants and retained for a period of 2 years.
 - iii. Individuals may be removed from this pool at an earlier date by their request or by failing to respond to the committee in conformance with the committee's initial employment policy. Individuals that are removed from the ranked pool of eligibles will be notified in writing.
 - iv. It shall be the responsibility of the applicant to notify the committee of any change of address.
 - g. Placement
 - i. Central Electrical JATC will follow the NJATC policy to determine the maximum number of apprentices in the program. Based on an annual evaluation of future industry manpower needs, the JATC will also determine a minimum number of new apprentices to start. Whenever possible, all current apprentices will be employed before new apprentices are started in conformance with the committee's initial employment policy.
 - ii. Applicants will be offered employment based on the order of their rank in the pool of eligibles and the zone(s) for which they have indicated preference. An applicant may change the zone or zones of choice at any time by notifying the JATC office in writing.
 - iii. If an individual fails to respond to an apprentice job assignment provided through the placement process, the individual will be removed from the pool in conformance with the committee's initial placement policy.
 - g. Re-interview
 - i. If after one year from the date of their initial interview with the JATC, an applicant has gained at least 1000 hours of work experience or has successfully completed two or more post-secondary, trade related classes, they may be re-interviewed by the JATC. The applicant must submit a request for a re-interview on a Re-interview Request Form provided by the JATC. The JATC will consider the request and determine whether or not a re-interview is justified. The applicant will be notified in writing whether or not a re-interview is allowed. This provision will be applied equitably to all applicants.

(See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **January 1, 2010** is \$ **26.04** per **hour** .

Apprentices will be paid fringe benefits in accordance with the collective bargaining agreement or pursuant to the Oregon BOLI Prevailing Wage Handbook, whichever is greater.

Period	Number of required hours	% of the journey level rate

NOTE: The committee realizes that the completion of 6,000 hours of on-the-job training is the ideal, but recognizes that most apprentices will not be able to fulfill the total amount of hours specified in every work process as set forth in this standard. When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice’s knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice’s file.

IX. RELATED/SUPPLEMENTAL INSTRUCTION:

1. The apprentice must attend related/supplemental instruction for at least 144 hours per year unless otherwise stated in this standard. A minimum of 160 hours of related training shall be required during each year the apprentice is registered in the program. (See ORS 660.126 (e))

The following is a summary of related instruction including required class hours in each element of instruction. A committee may establish and submit clear objectives and outcomes in lieu of hours for each class subject. (See ORS 660.157)

The National Joint Committee material will be used with special emphasis on safety training. Additionally, CPR and first aid training will be required.

Although 160 hours of related training is the minimum, the JATC may require additional time if needed.

Related training hours are in addition to the 6,000 hour requirement.

Related training must cover the following subjects and must be completed with a grade of 'C' or better for graded classes or 'Pass' for non-graded classes. (see OAR 918-282-0170 to - 0365)
