APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a  border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be  Jackson and Josephine counties  in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS

660.126 (1b). Documentation must be provided for all minimum qualifications:

Age:	At least 18 years of age

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

THE SPONSOR HEREBY ADOPTS:

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. The TATC/Sponsor shall open for applications when their current pool of eligibles, including out-of work for apprentices, falls below the predetermined number.
3. Public notice shall be disseminated in accordance with the sponsor's affirmative action plan for a period of not less than 30 days in advance of the earliest date for accepting applications. Notice of opening shall be provided to the registration agency (Bureau of Labor and Industries, Apprenticeship and Training Division).
4. The TATC/Sponsor shall be open for at least a two-week period (ten working days) for accepting applications.
5. The minimum qualifications, time and dates for accepting applications and other required

- documentation, addresses where applications are available and general duties of the occupation will be included on the public notice.
6. Applications shall be provided to any interested individual.
 7. Each applicant shall sign the "Applicant Log," which shall identify all applications by a log number that corresponds to the application number. Each application will be tracked to final disposition
 8. Completed applications shall be date stamped upon receipt by the TATC/Sponsor.
 9. Applicants who do not meet the minimum qualifications established in the public notice and standards will be notified in writing of the reasons for rejection, the qualifications required, and the appeal rights available.
 10. The sponsor will select applicants from the pool of eligible applicants at random. An impartial person will conduct supervision of this random selection process. This impartial person will be selected by the committee, but will not be associated with the administration of the apprenticeship program.
 11. The committee will establish the time and place for selection and the number of apprentices to be selected. The selection shall be by random drawing. The random drawing will be open to all applicants and the public. The names of the individuals selected by this method will be posted immediately following the random drawing.
 12. Individuals who are selected for apprenticeship will be referred to employers requesting apprentices. These individuals will be sent out in descending order from the ranked pool of eligibles.
 13. In accordance with the TATC/Sponsor's initial employment policy, if an applicant fails to respond within 48 hours (two working days) for employment the opportunity for employment will go to the next person on the list.
 14. In accordance with the TATC/Sponsor's initial employment policy, applicants in the ranked pool of eligibles will maintain their rankings for a period of two years. Applicants may be removed from the list at an earlier date by their own request or by a registered return receipt mail notice for failure to respond or accept employment a total of three times.
 15. The sponsor will complete the apprenticeship agreement and submit it to the registration agency within 90 days of the agreement date.

 18. EXCEPTIONS:
 2. EXPERIENCED APPRENTICE
Experienced apprentices who gained a minimum of 1,000 hours of training in a registered Sign Maker/Erector program during the preceding four (4) years will be permitted to return to the program. Apprentices returning in this manner will be placed on the top of the ranked pool of eligibles. They will be allowed to continue their training beginning where they left off instead of reentering as a beginning apprentice providing they were in good standing at the time of departure and not terminated for cause.
 3. NEW TRAINING AGENT
If an employer has not participated in the training of an apprentice under ORS Chapter

660 for at least two years prior to seeking entry or re-entry into the apprenticeship program, that employer may select his/her initial apprentice(s) without going to the pool. The initial apprentice(s) must be bona fide employees who have been on his/her payroll for a minimum of 500 hours prior to the employer's application for an apprentice and must meet the minimum qualifications for entry into the program. Once the initial selection of apprentices has been made, the employer is thereafter restricted to selection from applicants in the applicant pool established by the TATC/Sponsor.
