RULE SUMMARY

The proposed rule amendments would correct citations from Oregon Laws to ORS references, make editorial changes, and add or amend section headings to keep all rules on the same subject under one heading. The amendments would also delete the requirement that the bureau send copies of all investigative subpoena rules with all subpoenas, which is not required by statute.

The agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
