HOW TO LOOK UP A RATE

1. When was the project first advertised for bid?

The rates in effect at the time the bid specifications are first advertised are those that apply for the duration of the project.

2. What type of work is being performed by the employee?

Find the definition that most closely matches the actual work being performed by the worker. If you have any questions about work classifications, contact BOLI at the number below.

3. Where is the work being performed – what region?

Find the occupation in the correct region pages associated with the county where the project construction is taking place.

4. Is there a rate listed next to the classification?

If so, use it.

5. If the book directs you to "See Appendix," go to the back of the book and use the rate listed in the Appendix pages. It may include a group number and/or zone pay.

6. If you still don't know, CALL BOLI at (503) 731-4709.
