

## **Board Recognizes Long-Serving Employees.**

We paused this month to acknowledge four of our most important and long-serving staff members here at the Board. At a luncheon on March 29, 2012, the following employees were honored for their combined 93 years of service to the organization:

**Debbie Wojciechowski (22 years)** Debbie is the Board's Victim Services Specialist. She has also served as a receptionist and a clerk in other capacities. However, it is as the Victim Services Specialist that she has for many years made a lasting impact on the victims and family members who interact with Board.

**Kim Gonzales (26 years)** Kim is the Board's Hearings Specialist who manages the Board's hearings docket, journals the Board's deliberations, and records the Board's hearings. Kim has worked with several generations of Board members and so able to provide an invaluable long-term perspective to our work

**Pat Ziegler (22 years)** Pat is the Board's primary receptionist and discharge clerk. The Board processes hundreds of individuals who are eligible to be released from supervision. Pat's organizing and managing that process over the years has created tremendous efficiencies in the Board's work.

**Tami Jarnport (23 years)** Tami is the Board's Hearings Officer. Handling an average of 55 hearings, per month, this position is a critical step in the Board's adjudication of those offenders who violate their conditions of supervision and are subject to sanction.

We are grateful for the devotion and professionalism of these long-serving employees. As Executive Director Scroggin said at the luncheon, "Board members may change, but it is the staff that truly is the Board."

I couldn't agree more. Thank you Debbie, Kim, Pat, and Tami!
